Re: Telrite Corporation Compliance Plan; WC Docket Nos. 09-197, 11-42

Dear Ms. Dortch:

On March 12, 2012, Telrite Corporation ("Telrite") submitted its Compliance Plan outlining the measures it will take to implement the conditions imposed by the Commission in its *Lifeline Reform Order*.¹ On April 10, Telrite submitted a revised version with a minor revision to its Model Application/Certification Form, included as Exhibit A to its Compliance Plan. On April 27, July 2, July 27, November 28 and November 29 Telrite further revised and supplemented its Compliance Plan.

Telrite has further revised its Compliance Plan (p. 14) to clarify Telrite's process for de-enrollment of customers that fail to respond to the annual eligibility verification. Nothing else in the Compliance Plan has been changed.

Telrite hereby re-submits its complete Compliance Plan with the above revision. Based on the minor nature of this change, Telrite reiterates its request for expeditious approval of its Compliance Plan.

Telrite Corporation	

TELRITE CORPORATION COMPLIANCE PLAN

Telrite Corporation (“Telrite” or the “Company”),¹ through its undersigned counsel, hereby respectfully submits and requests expeditious approval of its Compliance Plan outlining the measures it will take to implement the conditions imposed by the Commission in its *Lifeline Reform Order*.²

¹ The Company hereby also reports its corporate and trade names, identifiers, and its holding company, operating companies and affiliates as: Telrite Corporation (corporate name), Life Wireless (trade name) and Telrite Holdings, LLC (holding company). Telrite owns 10 percent of Life Wireless Holdings, LLC, which is 50 percent owned by Puretalk Holdings, LLC. Therefore, Puretalk Holdings, LLC is not an affiliate of Telrite, however, Telrite’s “top-up” minutes are sold under the Pure Unlimited brand.

² See *Lifeline and Link Up Reform and Modernization, Lifeline and Link Up, Federal-State Joint Board on Universal Service, Advancing Broadband Availability Through Digital Literacy Training*, WC Docket No. 11-42, WC Docket No. 03-109, CC Docket No. 96-45, WC Docket No. 12-23, Report And Order and Further Notice Of Proposed Rulemaking, FCC 12-11 (Feb. 6, 2012) (“*Lifeline Reform Order*”). The Company herein submits the information required by the Compliance Plan Public Notice. See *Wireline Competition Bureau Provides Guidance for the Submission of Compliance Plans Pursuant to the Lifeline Reform Order*, WC Docket Nos. 09-197, 11-42, Public Notice, DA 12-314 (rel. Feb. 29, 2012).

The Company commends the Commission's commitment to a nationwide communications system that promotes the safety and welfare of all Americans, including Lifeline customers. Telrite will comply with 911 requirements as described below and it is submitting this Compliance Plan in order to qualify for blanket forbearance from the facilities requirement of section 214(e)(1)(A) of the Communications Act and participate as an eligible telecommunications carrier ("ETC") in the Lifeline program.³

The Company will comply fully with all conditions set forth in the *Lifeline Reform Order*, as well as with the Commission's Lifeline rules and policies more generally.⁴ This Compliance Plan describes the specific measures that the Company intends to implement to achieve these objectives. Specifically, this Compliance Plan: (1) describes the specific measures that Telrite will take to implement the obligations contained in the *Lifeline Reform Order*, including the procedures the Company follows in enrolling a subscriber in Lifeline and submitting for reimbursement for that subscriber from the Low-Income Fund, materials related to initial and ongoing certifications and sample marketing materials; and (2) provides a detailed description of how Telrite offers Lifeline services, the geographic areas in which it offers services, and a detailed description of the Company's Lifeline service plan offerings.

³ See *Lifeline Reform Order*, ¶ 368. Although the Company qualifies for and seeks to avail itself of the Commission's grant of forbearance from the facilities requirement of section 214(e)(1)(A) for purposes of the federal Lifeline program, the Company reserves the right to demonstrate to a state public utilities commission that it provides service using its own facilities in a state for purposes of state universal service funding under state program rules and requirements. Telrite will follow the requirements of the Commission's Lifeline rules and this Compliance Plan in all states in which it provides Lifeline service and receives reimbursements from the federal Low-Income Fund, including in any state where the public utilities commission determines that Telrite provides service using its own facilities for purposes of a state universal service program.

⁴ In addition, this Compliance Plan is consistent with the compliance plan filed by Global Connection Inc. of America. See Global Connection of America Inc. Compliance Plan, WC Docket Nos. 09-197, 11-42 (Apr. 30, 2012). The Global Connection compliance plan was approved on May 25, 2012. See Public Notice, DA 12-828.

ACCESS TO 911 AND E911 SERVICES⁵

Pursuant to the *Lifeline Reform Order*, forbearance is conditioned upon the Company: (1) providing its Lifeline subscribers with 911 and E911 access, regardless of activation status and availability of minutes; and (2) providing its Lifeline subscribers with E911-compliant handsets and replacing, at no additional charge to the subscriber, noncompliant handsets of Lifeline-eligible subscribers who obtain Lifeline-supported services.⁶ Telrite will comply with these conditions starting on the effective date of the *Lifeline Reform Order*.

The Company will provide its Lifeline customers with access to 911 and E911 services immediately upon activation of service. The Commission and consumers are hereby assured that all Telrite customers will have available access to emergency calling services at the time that Lifeline service is initiated, and that such 911 and E911 access will be available from Telrite handsets, even if the account associated with the handset has no minutes remaining.

The Company's existing practices currently provide access to 911 and E911 services for all customers. Telrite uses AT&T as its underlying network provider/carrier. has direct contracts for wireless services from AT&T, as opposed to purchasing minutes through an intermediary. AT&T routes 911 calls from the Company's customers in the same manner as 911 calls from AT&T's own retail customers. To the extent that AT&T is certified in a given PSAP territory, this 911 capability will function the same for the Company. Telrite also currently enables 911 emergency calling services for all properly activated handsets regardless of whether the account associated with the handset is active or suspended. Finally, the Company transmits all 911 calls initiated from any of its handsets even if the account associated with the handset has no remaining minutes.

⁵ See Compliance Plan Public Notice at 3.

⁶ See *Lifeline Reform Order*, ¶ 373.

E911-Compliant Handsets. Telrite will ensure that all handsets used in connection with the Lifeline service offering are E911-compliant. In point of fact, the Company's phones have always been and will continue to be 911 and E911-compliant. The Company uses phones from AT&T that have been through a stringent certification process with AT&T, which ensures that the handset models used meet all 911 and E911 requirements. As a result, any existing customer that qualifies for and elects Lifeline service will already have a 911/E911-compliant handset, which will be confirmed at the time of enrollment in the Lifeline program. Any new customer that qualifies for and enrolls in the Lifeline program is assured of receiving a 911/E911-compliant handset as well, free of charge.

COMPLIANCE PLAN

I. PROCEDURES TO ENROLL A SUBSCRIBER IN LIFELINE⁷

A. Policy

Telrite complies with the uniform eligibility criteria established in new section 54.409 of the Commission's rules, as well as any additional certification and verification requirements for Lifeline eligibility in states where the Company is designated as an ETC.

Therefore, all subscribers are required to demonstrate eligibility based at least on: (1) household income at or below 135% of the Federal Poverty Guidelines for a household of that size; or (2) the household's participation in one of the federal assistance programs listed in new sections 54.409(a)(2) or 54.409(a)(3) of the Commission's rules. In addition, through the certification requirements described below, the Company will confirm that the subscriber is not already receiving a Lifeline service and no one else in the subscriber's household is subscribed to a Lifeline service.

⁷ See Compliance Plan Public Notice at 3.

B. Eligibility Determination

More than 99 percent of Telrite's customer enrollment is done in-person, as opposed to over the phone or the Internet. Event locations are scheduled using various market or industry data resources. Telrite directs a team of representatives that survey and evaluate potential event locations across its service areas. Additionally, Telrite partners with community organizations, such as civic organizations, churches and food banks to host events in the communities it serves. Representatives are only permitted to enroll Lifeline customers within the borders of the states where Telrite is designated as an ETC. Further, to ensure that Telrite can track the location of its enrollment initiatives, all representatives conducting a Telrite enrollment event are required to electronically check in with Telrite and provide their address before the representatives can submit orders and enroll customers in Telrite's Lifeline service.

All enrollments performed in-person are completed electronically. The use of "paper forms" is prohibited, however, at all times laminated copies of the Lifeline application/certification forms are available for customers to review. Telrite's electronic process uses MiFi hotspots, laptop or net book computers, electronic signature pads and a bar code scanner to complete enrollment in real-time. The electronic order process provides Telrite the opportunity to perform several database checks in real-time during the enrollment process. Specifically, Telrite's systems validate and normalize addresses via "Melissa" data; perform an internal address duplicate check (to ensure that the prospective customer or someone at that address does not currently have Lifeline service from Telrite); perform an external duplicate check using CGM, LLC's ("CGM's") intercompany duplicate database ("IDD")⁸; and confirm the customer's

⁸ CGM's IDD enables participating ETCs to seed the database with subscriber lists, as well as to check the database against the subscriber lists of participating ETCs. Telrite is the largest ETC participating in this important self-regulatory initiative. Further

identity via Lexis Nexis (using the prospective customer's last name, date of birth and the last four digits of the customer's Social Security number). In addition, Telrite will check each applicant's government-issued photo identification for this purpose.

As discussed in further detail in Section I.F. below, all employees or representatives ("Company personnel") that conduct such in-person enrollments are trained regarding the eligibility and certification requirements in the *Lifeline Reform Order* and this Compliance Plan, including the one-per-household requirement, and told to inform potential customers of those requirements. New Company personnel undergo an initial mandatory training session where they are given training materials, a field training manual and a compliance manual, as well as shown visual examples of documents acceptable to demonstrate eligibility for the Lifeline program.

If Telrite cannot determine a prospective subscriber's eligibility for Lifeline by accessing income databases or program eligibility databases, Company personnel will review documentation establishing eligibility pursuant to the Lifeline rules.⁹ All personnel who interact with actual or prospective customers will be trained to assist Lifeline applicants in determining whether they are eligible to participate based on the federal and state-specific income-based and/or program-based criteria. These personnel will be trained to answer questions about Lifeline eligibility, and will review required documentation to determine whether it satisfies the *Lifeline Reform Order* and state-specific eligibility requirements using state-specific checklists.

demonstrating Telrite's leadership and commitment to defending the Lifeline program, Telrite also has produced three PSAs designed to educate the public about the Lifeline program. By January 2013, these PSAs will have been aired over 2,700 times collectively across the following markets: Atlanta, Baltimore, Charleston (WV), Chicago, Deluth, Little Rock, Minneapolis, New Orleans, Providence and St. Louis.

⁹ See *Lifeline Reform Order*, ¶ 100; sections 54.410(b)(1)(i)(B), 54.410(c)(1)(i)(B).

Proof of Eligibility. Company personnel will be trained on acceptable documentation required to establish income-based and program-based eligibility.¹⁰ Acceptable documentation of program eligibility includes: (1) the current or prior year's statement of benefits from a qualifying state, federal or Tribal program; (2) a notice letter of participation in a qualifying state, federal or Tribal program; (3) program participation documents (*e.g.*, the consumer's Supplemental Nutrition Assistance Program (SNAP) electronic benefit transfer card or Medicaid participation card (or copy thereof)); or (4) another official document evidencing the consumer's participation in a qualifying state, federal or Tribal program.¹¹

Acceptable documentation of income eligibility includes the prior year's state, federal, or Tribal tax return; current income statement from an employer or paycheck stub; a Social Security statement of benefits; a Veterans Administration statement of benefits; a retirement/pension statement of benefits; an Unemployment/Workmen's Compensation statement of benefits; federal or Tribal notice letter of participation in General Assistance; or a divorce decree, child support award, or other official document containing income information for at least three months time.¹²

Company personnel will examine this documentation for each Lifeline applicant, and will record the type of documentation used to satisfy the income- or program-based criteria by checking the appropriate box on the application form.¹³ In addition, Company personnel will fill in, where available, the last four digits of an account or other identifying number on the proof document, the date of the proof document and the expiration of the proof document. Company will not retain a copy of this documentation, except where state rules require such retention.¹⁴ Where the Company personnel conclude that proffered documentation is insufficient to establish such eligibility, the Company will deny the associated application and inform the applicant of the reason for such rejection. In the event that Company personnel cannot ascertain whether documentation of a specific type is sufficient to establish an applicant's eligibility, the matter will be escalated to supervisory personnel at the Company's corporate offices in Covington, GA. A Telrite employee will be responsible for overseeing and finalizing every Lifeline enrollment prior to including that customer on an FCC Form 497 for reimbursement.

In addition, Telrite will not enroll customers at retail locations where Telrite does not have an agency agreement with the retailer. Further, Telrite will require an agent retailer to have any employees involved in the enrollment process go through the standard Telrite field representative training, same as it would for any other agent. By establishing agency relationships with all of its field representatives, including future retail outlets, Telrite meets the "deal directly" requirement adopted in the TracFone Forbearance Order.¹⁵

The Commission determined in the *Lifeline Reform Order* that ETCs may permit agents or representatives to review documentation of consumer program eligibility for Lifeline because "the Commission has consistently found that '[l]icensees and other Commission regulatees are responsible for the acts and omissions of their employees and independent contractors.'"¹⁶ Because Telrite is responsible for the actions of all of its employees and agents, including those enrolling customers in any Telrite owned or affiliated retail locations, and a Telrite employee

will be responsible for overseeing and finalizing every Lifeline enrollment prior to including that customer on an FCC Form 497 for reimbursement, the Company always “deals directly” with its customers to certify and verify the customer’s Lifeline eligibility.

De-Enrollment for Ineligibility. If Telrite has a reasonable basis to believe that one of its Lifeline subscribers no longer meets the eligibility criteria, the Company will notify the subscriber of impending termination in writing and in compliance with any applicable state dispute resolution procedures applicable to Lifeline termination, and give the subscriber 30 days to demonstrate continued eligibility.¹⁷ A demonstration of eligibility must comply with the annual verification procedures below and found in new rule section 54.410(f), including the submission of a certification form. If a customer contacts the Company and states that he or she is not eligible for Lifeline or wishes to de-enroll for any reason, the Company will de-enroll the customer within five business days. Customers can make this request by calling the Company's customer service number and will not be required to submit any documents.

C. Subscriber Certifications for Enrollment

The Company will implement certification policies and procedures that enable consumers to demonstrate their eligibility for Lifeline assistance to Company personnel as detailed in the *Lifeline Reform Order*, together with any additional state certification requirements.¹⁸ The Company shares the Commission’s concern about abuse of the Lifeline program and is thus committed to the safeguards stated herein, with the belief that these procedures will prevent the Company’s customers from engaging in such abuse of the program, inadvertently or intentionally. Every applicant will be required to complete an application/certification form

¹⁷ See *Lifeline Reform Order*, ¶ 143; section 54.405(e)(1).

¹⁸ *Lifeline Reform Order*, ¶ 61; section 54.410(a).

containing disclosures, and collecting certain information and certifications as discussed below.¹⁹

Applicants that seek to enroll based on income eligibility will be referred to a worksheet showing the Federal Poverty Guidelines by household size.²⁰

Applicants that do not complete the form in person will be required to return the signed application/certification form to the Company by mail, facsimile, electronic mail or other electronic transmission. In addition, Company personnel will verbally explain the certifications to consumers when they are enrolling in person or over the phone.²¹

Disclosures. The Company's application and certification forms will include the following disclosures: (1) Lifeline is a federal benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program; (2) only one Lifeline service is available per household; (3) a household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses; (4) a household is not permitted to receive Lifeline benefits from multiple providers; (5) violation of the one-per-household limitation constitutes a violation of the Commission's rules and will result in the applicant's de-enrollment from the program; and (6) Lifeline is a non-transferable benefit and the applicant may not transfer his or her benefit to any other person.²²

Applications and certification forms will also state that: (1) the service is a Lifeline service, (2) Lifeline is a government assistance program, and (3) only eligible consumers may

enroll in the program.²³

In addition, Telrite will notify the applicant that the prepaid service must be personally activated by the subscriber and the service will be deactivated and the subscriber de-enrolled if the subscriber does not use the service for 60 days.²⁴

Information Collection. The Company will also collect the following information from the applicant in the application/certification form: (1) the applicant's full name; (2) the applicant's full residential address (P.O. Box is not sufficient²⁵); (3) whether the applicant's residential address is permanent or temporary; (4) the applicant's billing address, if different from the applicant's residential address; (5) the applicant's date of birth; (6) the last four digits of the applicant's Social Security number (or the applicant's Tribal identification number, if the subscriber is a member of a Tribal nation and does not have a Social Security number); (7) if the applicant is seeking to qualify for Lifeline under the program-based criteria, the name of the qualifying assistance program from which the applicant, his or her dependents, or his or her household receives benefits; and (8) if the applicant is seeking to qualify for Lifeline under the income-based criterion, the number of individuals in his or her household.²⁶

Applicant Certification. Consistent with new rule section 54.410(d)(3), the Company will require the applicant to certify, under penalty of perjury, in writing or by electronic signature or interactive voice response recording,²⁷ the following: (1) the applicant meets the income-based or program-based eligibility criteria for receiving Lifeline; (2) the applicant will notify the

Company within 30 days if for any reason he or she no longer satisfies the criteria for receiving Lifeline including, as relevant, if the applicant no longer meets the income-based or program-based criteria for receiving Lifeline support, the applicant is receiving more than one Lifeline benefit, or another member of the applicant's household is receiving a Lifeline benefit; (3) if the applicant is seeking to qualify for Lifeline as an eligible resident of Tribal lands, he or she lives on Tribal lands; (4) if the applicant moves to a new address, he or she will provide that new address to the Company within 30 days; (5) if the applicant provided a temporary residential address to the Company, the applicant will be required to verify his or her temporary residential address every 90 days; (6) the applicant's household will receive only one Lifeline service and, to the best of the applicant's knowledge, the applicant's household is not already receiving a Lifeline service; (7) the information contained in the applicant's certification form is true and correct to the best of the applicant's knowledge; (8) the applicant acknowledges that providing false or fraudulent information to receive Lifeline benefits is punishable by law; and (9) the applicant acknowledges that the applicant may be required to re-certify his or her continued eligibility for Lifeline at any time, and the applicant's failure to re-certify as to the applicant's continued eligibility will result in de-enrollment and the termination of the applicant's Lifeline benefits pursuant to the de-enrollment policy included below and in the Commission's rules.

In addition, the applicant will be required to authorize the Company to access any records required to verify the applicant's statements on the application/certification form and to confirm the applicant's eligibility for the Company Lifeline credit. The applicant must also authorize the Company to release any records required for the administration of the Company Lifeline credit

program, including to USAC to be used in a Lifeline program database.²⁸

D. Annual Verification Procedures

Telrite will annually re-certify all subscribers by querying the appropriate eligibility databases or obtaining a signed certification from each subscriber consistent with the certification requirements above and new section 54.410(d) of the Commission's rules. This certification will include a confirmation that the applicant's household will receive only one Lifeline service and, to the best of the subscriber's knowledge, the subscriber's household is receiving no more than one Lifeline service.²⁹ The Company will notify each participating Lifeline customer annually that he or she must confirm his or her continued eligibility in accordance with the applicable requirements. Further, the verification materials will inform the subscriber that he or she is being contacted to re-certify his or her continuing eligibility for Lifeline and if the subscriber fails to respond, he or she will be de-enrolled in the program.³⁰

2012 Verification. Telrite will re-certify the eligibility of each of its existing subscribers as of June 1, 2012 on a rolling basis by the end of 2012 and report the results to USAC by January 31, 2013.³¹ The Company will contact its subscribers via text message to their Lifeline supported telephone, or by mail, phone, email or other Internet communication. The notice will explain the actions the customer must take to retain Lifeline benefits, when Lifeline benefits may be terminated, and how to contact the Company.

²⁸ See Section 54.404(b)(9). The application/certification form will also describe the information that will be transmitted, that the information is being transmitted to USAC to ensure the proper administration of the Lifeline program and that failure to provide consent will result in the applicant being denied the Lifeline service. *See id.*

²⁹ *See Lifeline Reform Order*, ¶ 120.

³⁰ *See id.*, ¶ 145.

³¹ *See id.*, ¶ 130.

Verification De-Enrollment. Telrite will de-enroll subscribers that do not respond to the annual verification or fail to provide the required certification.³² The Company will send a single written notice explaining that failure to respond to the re-certification request within 30 days will result in the subscriber's de-enrollment from the Lifeline program. If the subscriber does not respond within the 30 days, the Company will de-enroll the subscriber within five business days.

E. Activation and Non-Usage

Telrite will not consider a prepaid subscriber activated, and will not seek reimbursement for Lifeline for that subscriber, until the subscriber activates the Company's prepaid service by a method established by Telrite. For activation of a handset provided to a new customer at an event or "in the field", successful applicants are provided a functioning handset and instructed to dial 770-200-1000 to complete the activation process. Such calls are free of charge to the applicant. To activate a handset provided to a successful applicant by mail, upon receipt of the handset, the applicant must contact Telrite customer service at 888-543-3620 or 888-543-3640 to activate the service. The customer must verify their last name, date of birth and last four digits of their Social Security number. The customer must also verify that he or she ordered the Lifeline service. The phone is activated only after that verification process has been completed.

In addition, after service activation, the Company will provide a de-enrollment notice to subscribers that have not used their service for 60 days. After 60 days of non-use, Telrite will provide notice to the subscriber that failure to use the Lifeline service within a 30-day notice period will result in de-enrollment.³³ Subscribers can "use" the service by: (1) completing an outbound call; (2) purchasing minutes from the Company to add to the subscriber's plan; (3)

³² See *id.*, ¶ 142; section 54.54.405(e)(4).

³³ See *Lifeline Reform Order*, ¶ 257; section 54.405(e)(3).

answering an incoming call from a party other than the Company; or (4) responding to a direct contact from the Company and confirming that the subscriber wants to continue receiving the service.³⁴

If the subscriber does not respond to the notice, the subscriber will be de-enrolled and Telrite will not request further Lifeline reimbursement for the subscriber. The Company will report annually to the Commission the number of subscribers de-enrolled for non-usage by month.³⁵

F. Additional Measures to Prevent Waste, Fraud and Abuse

To supplement its verification and certification procedures, and to better ensure that customers understand the Lifeline service restrictions with respect to duplicates, the Company will implement measures and procedures to prevent duplicate Lifeline benefits being awarded to the same household. These measures entail additional emphasis in written disclosures as well as live due diligence.

In addition to checking the database when it becomes available, Company personnel will emphasize the “one Lifeline phone per household” restriction in their direct sales contacts with potential customers. Training materials include a discussion of the limitation to one Lifeline phone per household, and the need to ensure that the customer is informed of this restriction.³⁶ Telrite conducts background checks on all Company personnel interacting with existing and potential Lifeline customers and they must pass a complete onboarding process that includes a photo identification check. All such Company personnel also undergo training regarding the

³⁴ See *Lifeline Reform Order*, ¶ 261; section 54.407(c)(2).

³⁵ See *Lifeline Reform Order*, ¶ 257; section 54.405(e)(3).

³⁶ See *id.*

eligibility and certification requirements in the *Lifeline Reform Order* and this Compliance Plan. New Company personnel complete an initial mandatory three-hour training session conducted by corporate trainers that are employees of Telrite where they are given training materials, a field training manual and a compliance manual, as well as shown visual examples of documents acceptable to demonstrate eligibility for the Lifeline program. These training documents are regularly updated to reflect the requirements of the *Lifeline Reform Order* and this Compliance Plan, and they are provided to existing Company personnel. All Company personnel must have these manuals with them when conducting enrollment or other activities for Telrite. Further, Telrite holds weekly compliance updates and weekly refresher/continuing education conference calls and all Company personnel have access to a Telrite portal with a large resource section containing policies, tips and procedures for Lifeline enrollment.

Telrite also has Compliance and Field Operations teams that investigate possible waste, fraud and abuse by Company personnel or representatives and either resolve the issues or escalate them. Solutions can include additional training, deactivation of credentials, termination and possible legal action. To discover potential waste, fraud and abuse, the Compliance Department is responsible for tracking and monitoring data entry, orders and behavior of Company personnel engaging in Lifeline enrollments, as well as conducting data audits (tracking statistics on orders to look for irregularities), customer quality calls, secret shopping, no-notice field audits and photo audits (random audits requiring the representative to take a photo of the event set-up). Telrite's Compliance Department is itself subject to outside audits by CGM.

Finally, on or before May 4, 2012, all Telrite agents and representatives received a Training Bulletin and Fraud Policy, which Telrite also filed with the Commission, designed to

remind all Company personnel engaged in enrollment of Lifeline applicants regarding their obligations to explain the one-per-household restriction to Lifeline applicants.

Database. When the National Lifeline Accountability Database (“National Database”) becomes available, Telrite will comply with the requirements of new rule section 54.404. The Company will query the National Database to determine whether a prospective subscriber is currently receiving a Lifeline service from another ETC and whether anyone else living at the prospective subscriber’s residential address is currently receiving Lifeline service.³⁷

One-Per-Household. Telrite will implement the requirements of the *Lifeline Reform Order* to ensure that it provides only one Lifeline benefit per household³⁸ through the use of its application and certification forms discussed above, database checks and its marketing materials discussed below. Upon receiving an application for the Company’s Lifeline service, Telrite validates and normalizes the address provided via the MELISSA database and then the name, address, date of birth and last four digits of the Social Security number are entered into Telrite’s internal duplicate database to ensure that it does not already provide Lifeline-supported service

³⁷ See *Lifeline Reform Order*, ¶ 203. Company will also transmit to the National Database the information required for each new and existing Lifeline subscriber. See *id.*, ¶¶ 189-195; section 54.404(b)(6). Further, Company will update each subscriber’s information in the National Database within ten business days of any change, except for de-enrollment, which will be transmitted within one business day. See section 54.404(b)(8),(10).

³⁸ A “household” is any individual or group of individuals who are living together at the same address as one economic unit. A household may include related and unrelated persons. An “economic unit” consists of all adult individuals contributing to and sharing in the income and expenses of a household. An adult is any person eighteen years or older. If an adult has no or minimal income, and lives with someone who provides financial support to him/her, both people shall be considered part of the same household. Children under the age of eighteen living with their parents or guardians are considered to be part of the same household as their parents or guardians. See *Lifeline Reform Order*, ¶ 74; section 54.400(h).

to that individual or another person at the same address.³⁹ If so, and the applicant lives at an address with multiple households, the Company will require the applicant to complete and submit a written USAC document containing the following: (1) an explanation of the Commission's one-per-household rule; (2) a check box that an applicant can mark to indicate that he or she lives at an address occupied by multiple households; (3) a space for the applicant to certify that he or she shares an address with other adults who do not contribute income to the applicant's household and share in the household's expenses or benefit from the applicant's income, pursuant to the Commission's definition; and (4) the penalty for a consumer's failure to make the required one-per-household certification (*i.e.*, de-enrollment).⁴⁰ Further, if a subscriber provides a temporary address on his or her application/certification form collected as described above, the Company will verify with the subscriber every 90 days that the subscriber continues to rely on that address.⁴¹

In addition, Company personnel will inform each Lifeline applicant that he or she may be receiving Lifeline support under another name, and facilitate the applicant's understanding of what constitutes "Lifeline-supported services," and ability to determine whether he or she is already benefiting from Lifeline support, by informing the consumer that all Lifeline services may not be currently marketed under the name Lifeline. Telrite also asks each customer whether they are receiving Lifeline service from one of the other major Lifeline providers in the state (*e.g.*, SafeLink, Assurance). Further, at the time of enrollment, Telrite checks each applicant against an internal database, as well as a pooled duplicates database established by CGM.

³⁹ See *Lifeline Reform Order*, ¶ 78.

⁴⁰ See *id.* The USAC worksheet is available at <http://www.usac.org/li/tools/news/default.aspx#582>.

⁴¹ See *Lifeline Reform Order*, ¶ 89.

Finally, Telrite will continue to participate in the In-Depth Validation process with the Commission and USAC to locate and address duplicates between ETCs in various states until the national database is in place.

Marketing Materials. Within the deadline provided in the *Lifeline Reform Order*, the Company will include the following information regarding its Lifeline service on all marketing materials describing the service: (1) it is a Lifeline service, (2) Lifeline is a government assistance program, (3) the service is non-transferable, (4) only eligible consumers may enroll in the program, (5) the program is limited to one discount per household; (6) that documentation is necessary for enrollment; and (7) Telrite's name (the ETC).⁴² These statements will be included in all print, audio video and web materials (including social networking media) used to describe or enroll customers in the Company's Lifeline service offering, as well as the Company's application forms and certification forms.⁴³ This specifically includes the Company's website (www.lifewireless.com) and outdoor signage.⁴⁴ A sample of the Company's marketing materials is included as Exhibit C. In addition, the Company's application/certification form will state that consumers who willfully make a false statement in order to obtain the Lifeline benefit can be punished by fine or imprisonment or can be barred from the program.

G. Company Reimbursements From the Fund

To ensure that the Company does not seek reimbursement from the Fund without a subscriber's consent, Telrite will certify, as part of each reimbursement request, that it is in compliance with all of the Commission's Lifeline rules and, to the extent required, has obtained

valid certification and verification forms from each of the subscribers for whom it is seeking reimbursement.⁴⁵ Further, the Company will transition the submission of its FCC Forms 497 to the eighth day of each month in order to be reimbursed the same month, and inform USAC, to the extent necessary, to transition its reimbursement process to actual claims rather than projected claims over the course of more than one month.⁴⁶ In addition, the Company will keep accurate records as directed by USAC⁴⁷ and as required by new section 54.417 of the Commission's rules.

H. Annual Company Certifications

Telrite will submit an annual certification to USAC, signed by a Company officer under penalty of perjury, that the Company: (1) has policies and procedures in place to review consumers' documentation of income- and program-based eligibility and ensure that its Lifeline subscribers are eligible to receive Lifeline services;⁴⁸ (2) is in compliance with all federal Lifeline certification procedures;⁴⁹ and (3) has obtained a valid certification form for each subscriber for whom the carrier seeks Lifeline reimbursement.⁵⁰

In addition, the Company will provide the results of its annual re-certifications/verifications on an annual basis to the Commission, USAC, the applicable state commission and the relevant Tribal governments (for subscribers residing on Tribal lands).⁵¹

⁵¹ See *Lifeline Reform Order*, ¶¶ 132,148; section 54.416(b).

Further, as discussed above, the Company will report annually to the Commission the number of subscribers de-enrolled for non-usage by month.⁵²

The Company will also annually report to the Commission, USAC, and relevant state commissions and the relevant authority in a U.S. territory or Tribal government as appropriate,⁵³ the company name, names of the company's holding company, operating companies and affiliates, and any branding (such as a "dba" or brand designation) as well as relevant universal service identifiers for each entity by Study Area Code.⁵⁴ The Company will report annually information regarding the terms and conditions of its Lifeline plans for voice telephony service offered specifically for low income consumers during the previous year, including the number of minutes provided and whether there are additional charges to the consumer for service, including minutes of use and/or toll calls.⁵⁵ Finally, the Company will annually provide detailed information regarding service outages in the previous year, the number of complaints received and certification of compliance with applicable service quality standards and consumer protection rules, as well as a certification that the Company is able to function in emergency situations.⁵⁶

I. Cooperation with State and Federal Regulators

The Company has cooperated and will continue to cooperate with federal and state regulators to prevent waste, fraud and abuse. More specifically, the Company will:

- Make available, upon request, state-specific subscriber data, including the names and addresses of Lifeline subscribers, to USAC and to each state public utilities commission where the Company operates for the purpose of determining whether an existing Lifeline subscriber receives Lifeline service from another carrier;⁵⁷
- Assist the Commission, USAC, state commissions, and other ETCs in resolving instances of duplicative enrollment by Lifeline subscribers, including by providing to USAC and/or any state commission, upon request, the necessary information to detect and resolve duplicative Lifeline claims;
- Promptly investigate any notification that it receives from the Commission, USAC, or a state commission to the effect that one of its customers already receives Lifeline services from another carrier; and
- Immediately de-enroll any subscriber whom the Company has a reasonable basis to believe⁵⁸ is receiving Lifeline-supported service from another ETC or is no longer eligible – whether or not such information is provided by the Commission, USAC, or a state commission.

II. Description of Lifeline Service Offerings⁵⁹

Telrite will offer its Lifeline service in the states where it is designated as an ETC⁶⁰ and throughout the coverage area of its underlying provider AT&T. The Company's Lifeline offering in each state where the Company has been designated as an ETC provides customers with their choice of 125 or 250 anytime prepaid minutes per month at no charge. Minutes do not expire for the 125 minute plan and unused minutes are rolled over to the next month. Unused minutes for the 250 minute plan do not roll over. Text messaging is available at the rate of:

- 125 Minute Plan: 1/3 minute (*i.e.*, 3 SMS texts per voice minute)
- 250 Minute Plan 1/3 minute (*i.e.*, 3 SMS texts per voice minute)

⁵⁷ The Company anticipates that the need to provide such information will sunset following the implementation of the national duplicates database.

⁵⁸ See section 54.405(e)(1).

⁵⁹ See Compliance Plan Public Notice at 3.

⁶⁰ The Company is currently designated as an ETC in Arkansas, Illinois, Louisiana, West Virginia, Rhode Island, Puerto Rico, Missouri, Maryland, Georgia & Minnesota.

Lifeline customers can purchase additional bundles of minutes in denominations of \$10.00, \$25.00, \$4.95, \$7.95, \$12.95, \$21.49 and \$29.95.⁶¹ Airtime, when used for standard cellular calls, is valued at and will be decremented at the following rates:

- 1) \$10.00 denomination - \$0.099 per minute of use;
- 2) \$25.00 denomination - \$0.0708 per minute of use;
- 3) \$4.95 denomination – 1 day Unlimited Talk and SMS;
- 4) \$7.95 denomination - 3 day Unlimited Talk and SMS;
- 5) \$12.95 denomination - 1 week Unlimited Talk and SMS;
- 6) \$21.95 denomination – 2 weeks Unlimited Talk and SMS;
- 7) \$29.95 denomination – 1 month Unlimited Talk and SMS;

Airtime “top-up” minutes are available for purchase at the Company’s retail locations, through any Money Gram location and on the Company’s website.⁶² Additional information regarding the Company’s plans, rates and services can be found on its website: www.lifewireless.com.

In addition to free voice services, Telrite’s Lifeline plan will include a free handset and custom calling features at no charge, including Caller ID, Call Waiting, Call Forwarding, 3-Way Calling, Voice Mail, No Roaming charges and free access to Customer Care by dialing 611 from customers’ Life Wireless handset or by dialing 1-888-543-3620 from any wireline phone. All plans include domestic long-distance at no extra per minute charge. Calls to 911 emergency services are always free, regardless of service activation or availability of minutes.

⁶¹ The \$29.95 rate for unlimited talk and text is available only to Life Wireless customers that purchase online or by calling Telrite customer service. The retail rate available in stores is \$42.95, which is set to be reduced to a yet undetermined rate.

⁶² Top-up minutes are provided using the PureTalk USA and Pure Unlimited brands, by Puretalk Holdings, LLC, a sister company of Telrite with common ownership, though not technically an affiliate.

III. Demonstration of Financial and Technical Capabilities and Certifications Required for ETC Designation⁶³

Financial and Technical Capabilities. Revised Commission rule 54.202(a)(4), 47 C.F.R. 54.202(a)(4), requires carriers petitioning for ETC designation to demonstrate financial and technical capability to comply with the Commission's Lifeline service requirements.⁶⁴ The Compliance Plan Public Notice requires that carriers' compliance plan include this demonstration. Among the factors the Commission will consider are: a carrier's prior offering of service to non-Lifeline subscribers, the length of time the carrier has been in business, whether the carrier relies exclusively on Lifeline reimbursement to operate, whether the carrier receives revenues from other sources and whether the carrier has been the subject of an enforcement action or ETC revocation proceeding.

Telrite has been offering Lifeline service to customers since October, 2010. Telrite also offers several other telecommunication services in addition to its Lifeline service. In 2011, the wireline services offered by Telrite produced substantial net income. This revenue was generated from more than 30,000 customers of Telrite's local and long distance service, which Telrite has been providing for over 10 years. In sum, Telrite has access to sufficient funds to run its business and is not solely dependent on reimbursements from the Fund. Telrite recently entered into a consent decree with the Enforcement Bureau relating to an investigation begun in 2004.⁶⁵ The Company has not been subject to enforcement sanctions or ETC revocation proceedings in any state.

⁶³ See Compliance Plan Public Notice at 3.

⁶⁴ See *Lifeline Reform Order*, ¶¶ 387-388 (revising Commission rule 54.202(a)(4)).

⁶⁵ See Telrite Corporation, File No. EB-05-1H-2348, Order and Consent Decree, DA 12-612 (rel. Apr. 18, 2012).

Service Requirements Applicable to the Company's Support. The Compliance Plan Public Notice requires carriers to include "certifications required under newly amended section 54.202 of the Commission's rules."⁶⁶ Telrite certifies that it will comply with the service requirements applicable to the support the Company receives.⁶⁷ Telrite provides all of the telecommunications service supported by the Lifeline program and will make the services available to all qualified consumers throughout the states in which it is designated as an ETC. The Company's services include voice telephony services that provide voice grade access to the public switched network or its functional equivalent. Further, the Company's service offerings provide its customers with minutes of use for local service at no charge to the customer. The Company will offer a set number of minutes of local exchange service free of charge to its subscribers. Telrite's current Lifeline offerings include packages in Section II *supra* that can be used for local and domestic toll service.

The Company also will provide access to emergency services provided by local government or public safety officials, including 911 and E911 where available and will comply with any Commission requirements regarding E911-compatible handsets. As discussed above, the Company will comply with the Commission's forbearance grant conditions relating to the provision of 911 and E911 services and handsets.

Finally, Telrite will not provide toll limitation service ("TLS"), which allows low income consumers to avoid unexpected toll charges. However, since the Company is a prepaid service provider, customers cannot be disconnected for failure to pay toll charges, nor are there additional charges for exceeding their minutes. Further, the Company, like most wireless carriers, does not differentiate domestic long distance toll usage from local usage and all usage is

⁶⁷ 47 C.F.R. § 54.202(a)(1).

paid for in advance. Pursuant to the *Lifeline Reform Order*, subscribers to such services are not considered to have voluntarily elected to receive TLS.⁶⁸

IV. Conclusion

Telrite submits that its Compliance Plan fully satisfies the conditions set forth in the Commission's *Lifeline Reform Order*, the Compliance Plan Public Notice and the Lifeline rules. Accordingly, the Company respectfully requests that the Commission expeditiously approve its Compliance Plan.

Respectfully submitted,

A complete and signed Lifeline Service Application and Certification ("Certification") is required to enroll you in Telrite Corporation / Life Wireless' Lifeline service program in your state. This Certification is only for the purpose of verifying your eligibility for Lifeline service and will not be used for any other purpose. Service requests will not be processed until this Form has been received and verified by Company.

One Lifeline service per household disclosures: Lifeline is a government assistance program and willfully making false statements to obtain a Lifeline benefit can result in fines, imprisonment, de-enrollment or being barred from the program. Lifeline benefits are limited to a single line of service per household. A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses. A household may not receive multiple Lifeline discounts. You may apply your Lifeline discount to either one landline or one wireless number, but you cannot have the discount on both and you cannot receive Lifeline benefits from multiple providers. Note that not all Lifeline services are currently marketed under the name Lifeline. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person, including another eligible low-income consumer. Violation of the one-per-household limitation constitutes a violation of the Federal Communications Commission's rules and will result in your de-enrollment from the program, and potentially prosecution by the United States Government.

**WIRELINE COMPETITION BUREAU APPROVES THE COMPLIANCE PLANS OF
AIRVOICE WIRELESS, AMERIMEX COMMUNICATIONS, BLUE JAY WIRELESS,
MILLENNIUM 2000, NEXUS COMMUNICATIONS, PLATINUMTEL COMMUNICATIONS,
SAGE TELECOM, TELRITE AND TELScape COMMUNICATIONS**

WC Docket Nos. 09-197 and 11-42

The Wireline Competition Bureau (Bureau) approves the compliance plans of nine carriers: AirVoice Wireless, LLC (AirVoice); AmeriMex Communications Corp. (AmeriMex); Blue Jay Wireless, LLC (Blue Jay); Millennium 2000, Inc. (Millennium 2000); Nexus Communications, Inc. (Nexus); PlatinumTel Communications, LLC (PlatinumTel); Sage Telecom, Inc. (Sage); Telrite Corporation (Telrite); and Telscape Communications, Inc. d/b/a Telscape Wireless (Telscape). The compliance plans were filed pursuant to the *Lifeline Reform Order* as a condition of obtaining forbearance from the facilities requirement of the Communications Act of 1934, as amended (the Act), for the provision of Lifeline service.¹

The Act provides that in order to be designated as an eligible telecommunications carrier (ETC) for the purpose of universal service support, a carrier must “offer the services that are supported by Federal universal service support mechanisms . . . either using its own facilities or a combination of its own facilities and resale of another carrier’s services”² The Commission amended its rules to define voice telephony as the supported service and removed directory assistance and operator services, among other things, from the list of supported services.³ As a result of these amendments, many Lifeline-only ETCs that previously met the facilities requirement by providing operator services, directory assistance or other previously supported services no longer meet the facilities requirement of the Act.⁴ In the *Lifeline Reform Order*, the Commission found that a grant of blanket forbearance of the facilities requirement,

¹ See *Lifeline and Link Up Reform and Modernization et al*, WC Docket No.11-42 *et al.*, Report and Order and Further Notice of Proposed Rulemaking, 27 FCC Rcd 6656, 6816-17, paras. 379-380 (2012) (*Lifeline Reform Order*). A list of the compliance plans approved through this Public Notice can be found in the Appendix to this Public Notice.

² 47 U.S.C. § 214(e)(1)(A).

³ See *Lifeline Reform Order*, 27 FCC Rcd at 6678, para. 47; see also 47 C.F.R. § 54.101(a).

⁴ See *Lifeline Reform Order*, 27 FCC Rcd at 6812, para. 366, App. A; *Connect America Fund et al*, WC Docket 10-90, Order on Reconsideration, 26 FCC Rcd 17633, 17634-35, para. 4 (2011) (*USF/ICC Transformation Order on Reconsideration*). Some ETCs have included language in their compliance plans indicating that they have facilities or plan to acquire facilities in the future. See, e.g., Blanket Forbearance Compliance Plan, WC Docket Nos. 09-197 and 11-42, Q Link Wireless, LLC’s Third Amended Compliance Plan at 4 n. 2 (filed July 30, 2012). To the extent ETCs seek to avail themselves of the conditional forbearance relief established in the *Lifeline Reform Order*, we presume they lack facilities to provide the supported service under sections 54.101 and 54.401 of the Commission’s rules. See 47 C.F.R. §§ 54.101 and 54.401. Such ETCs must comply with the compliance plan approved herein in each state or territory where they are designated as an ETC, regardless of their claim of facilities for other purposes, such as eligibility for state universal service funding.

subject to certain public safety and compliance obligations, is appropriate for carriers seeking to provide Lifeline-only service.⁵ Therefore, in the *Lifeline Reform Order*, the Commission conditionally granted forbearance from the Act's facilities requirement to all telecommunications carriers seeking Lifeline-only ETC designation, subject to the following conditions: (1) compliance with certain 911 and enhanced 911 public safety requirements; and (2) Bureau approval of a compliance plan providing specific information regarding the carrier and its service offerings and outlining the measures the carrier will take to implement the obligations contained in the *Order*.⁶

The Bureau has reviewed the nine plans listed in the Appendix for compliance with the conditions of the *Lifeline Reform Order* and now approves those nine compliance plans.⁷

Filings, including the Compliance Plans identified in the Appendix, and comments are available for public inspection and copying during regular business hours at the FCC Reference Information Center, Portals II, 445 12th Street, S.W., Room CY-A257, Washington, D.C. 20554. ⁷ The Commission has not acted on any pending ETC petitions filed by these carriers, and this Public Notice only approves the compliance plans of the carriers listed above. While these compliance plans contain information on each carrier's Lifeline offering, we leave it to the designating authority to determine whether or not the carrier's Lifeline offerings are sufficient to serve consumers. This LIFE WIRELESS Terms of Service is an agreement between LIFE WIRELESS and you ("Agreement.") PLEASE READ THIS AGREEMENT CAREFULLY TO ENSURE THAT YOU UNDERSTAND EACH PROVISION. PLEASE NOTE: This Agreement requires the use of arbitration on an individual basis to resolve disputes, rather than jury trials or class actions, and also limits the remedies available to you in the event of a dispute.

2. CHARGES: You are responsible for paying all charges for or resulting from services provided under this Agreement. Charges may include, without limitation: airtime, roamer, recurring monthly service, activation, administrative, returned-check and late payment charges; network and other surcharges; optional feature charges; toll, collect call and directory assistance charges; any other charges or calls charged to your phone number; and applicable taxes, surcharges and governmental fees, whether assessed directly upon you or upon LIFE WIRELESS. LIFE WIRELESS may add its own charges to those charged by third parties. Payment for all charges is made in advance and there is no proration of such charges. You agree to pay for incoming and outgoing calls to and from your phone. AIRTIME AND OTHER MEASURED VOICE USAGE ("CHARGEABLE TIME") IS BILLED IN FULL-MINUTE INCREMENTS AND IS ROUNDED UP TO THE NEXT FULL-MINUTE INCREMENT AT THE END OF EACH CALL FOR CHARGING PURPOSES. LIFE WIRELESS CHARGES A FULL MINUTE OF AIRTIME USAGE FOR EVERY FRACTION OF THE LAST MINUTE OF AIRTIME USED ON EACH WIRELESS CALL DATA TRANSPORT IS BILLED IN FULL-KILOBYTE INCREMENTS, AND ACTUAL TRANSPORT IS ROUNDED UP TO THE NEXT FULL KILOBYTE INCREMENT AT THE END OF EACH DATA SESSION FOR CHARGING PURPOSES. LIFE WIRELESS CHARGES A FULL KILOBYTE OF DATA TRANSPORT FOR EVERY FRACTION OF THE LAST KILOBYTE OF DATA TRANSPORT USED ON EACH DATA SESSION. NETWORK OVERHEAD, SOFTWARE UPDATE REQUESTS, AND RE-SEND REQUESTS CAUSED BY NETWORK ERRORS CAN INCREASE MEASURED KILOBYTES. If you select a rate plan or additional features that include a predetermined allotment of services (for example, a predetermined amount of airtime, megabytes or text messages), unless otherwise specifically provided as part of such rate plan, any unused allotment of services from one monthly period will not carry over to the next monthly period. Additional charges may apply for detailed information about your usage of services. Chargeable Time begins for outgoing calls when you press SEND (or similar key) and for incoming calls when a signal connection from the caller is established with our facilities. Chargeable Time ends after you press END (or similar key), but not until your wireless telephone's signal of call disconnect is received by our facilities and the call disconnect signal has been confirmed. All outgoing calls for which we receive answer supervision or which have at least 30 seconds of Chargeable Time, including ring time, shall incur a minimum of one-minute airtime charge. Answer supervision is generally received when a call is answered; however, answer supervision may also be generated by voicemail systems, private branch exchanges, and interexchange switching equipment. Chargeable Time may include time for us to recognize that only one party has disconnected from the call, time to clear the channels in use, and ring time. Chargeable Time may also occur from other uses of our facilities, including by way of example, voicemail deposits and retrievals, and call transfers.

3. DISPUTES: WITHIN 60 DAYS OF THE DATE OF ANY EVENT GIVING RISE TO A DISPUTE, YOU MUST NOTIFY US IN WRITING AT LIFE WIRELESS, BILL DISPUTE, PO BOX 2207, COVINGTON GA 30015 ("LIFE WIRELESS'S ADDRESS") OF SUCH DISPUTE, INCLUDING A DISPUTE OVER ANY CHARGES AND ANY SERVICE WE PROVIDED, OR YOU WILL HAVE WAIVED YOUR RIGHT TO DISPUTE THE CHARGE OR SUCH SERVICES AND TO BRING, OR PARTICIPATE IN, ANY LEGAL ACTION RAISING ANY SUCH DISPUTE.

4. DEVICE: The wireless phone or other device assigned to your account ("Device") must be compatible with, and not interfere with, our service, and must comply with all applicable laws, rules and regulations. A Device capable only of using data service is not allowed with LIFE WIRELESS service. We may periodically program your Device remotely with system

settings for roaming service, to direct your Device to use network services most appropriate for your typical usage, and other features that cannot be changed manually. Devices purchased for use on LIFE WIRELESS's systems are designed for use only on LIFE WIRELESS's network ("Equipment") and may not function on other wireless networks. Equipment is sold exclusively for use with LIFE WIRELESS service and may not be resold. By purchasing such Equipment you agree to activate and use it on LIFE WIRELESS service. You also agree that you will not make, nor will you assist others to make, any modifications to the Equipment or programming to enable the Equipment to operate on any other system. LIFE WIRELESS may, at its sole and absolute discretion, modify the programming to enable the operation of the Equipment on other systems. You understand and acknowledge that the Equipment is sold solely for use with LIFE WIRELESS service and that LIFE WIRELESS will be significantly damaged if you use or assist others to use the Equipment for any other purpose. You agree not to take any action to circumvent limits on the quantity of Equipment that may be purchased. You will be liable to LIFE WIRELESS for any damages resulting from the conduct prohibited in this section.

5. PURCHASES AND AUTHORITY TO USE: Your Device can be used to purchase goods and services including ring tones, graphics, games or news alerts (including subscription plans) from LIFE WIRELESS or elsewhere from third parties ("Goods, Content, and Services"). Goods, Content, and Services may be purchased directly with any Device assigned to your account or on-line. Data transport charges are also incurred in the purchase of Goods, Content, and Services. Unless you have a data feature, in which case you will be billed according to your data feature, you will be charged at the standard per kilobyte charge for the Goods, Content, and Services transport when delivered. You have full-time access to your Goods, Content, and Services transaction history on our website. You are responsible for all Devices containing a SIM assigned to your account. Except as otherwise provided in this Agreement, if such Device is used by others to purchase Goods, Content, and Services, you are responsible for all such purchases and all associated charges. You are giving those other users your authority 1) to order Goods, Content, and Services from the Device, including subscription services, and to incur charges for those Goods, Content, and Services, and 2) to give any consent required for those Goods, Content, and Services, including the consent to use that user's location information to deliver customized information to that user's Device, or to make any representation required for those Goods, Content, and Services, including a representation of the user's age, if requested. Usage by others can be restricted by use of parental controls or similar features. Visit our website to learn more.

6. Unlimited Voice and Text Services: UNLIMITED DOES NOT MEAN UNREASONABLE USE. Unlimited voice services are provided primarily for live dialogue between two individuals. If your use of unlimited services for conference calling or call forwarding exceeds 750 minutes per month, LIFE WIRELESS may, at its option, terminate your service or change your plan to one with no unlimited usage components. Unlimited voice services may not be used for conference calling, call forwarding, monitoring services, data transmissions, transmission of broadcasts, transmission of recorded material, or other connections that do not consist of uninterrupted live dialogue between two individuals. If LIFE WIRELESS finds that you are using an unlimited voice service offering for anything other than live dialogue between two individuals, LIFE WIRELESS may at its option terminate your service or change your plan to one with no unlimited usage components. LIFE WIRELESS will provide notice that it intends to take any of the above actions, and you may terminate the Agreement. With the monthly and daily Unlimited plans, unlimited text within the U.S. includes text only. The rate plan charge for the Unlimited Daily Talk & Text plan is assessed each day you use your phone to make or receive voice calls, including a call to voice mailbox, or send a text message. The day for purposes of the daily rate plan charge starts at midnight and ends at midnight based on the time zone in which you are located when you make a call or send a message. A minimum account balance sufficient to pay the rate plan charge for the daily Unlimited plan is required to place or receive the first call of the day, use IM or send a message.

7. LOCATION-BASED SERVICES: Your Device may be location-enabled meaning that the Device is capable of using optional Goods, Content, and Services, at your request or the request of a user on your account, offered by LIFE WIRELESS or third parties that make use of a user's location ("Location-Based Services"), using location technology such as Global Positioning Satellite ("GPS"), wireless network location, or other location technology. Please review the terms and conditions and the associated privacy policy for each Location-Based Service to learn how the location information will be used and protected. We may also use location information to create aggregate data from which your personally identifiable information has been removed or obscured. Such aggregate data may be used for services like traffic-monitoring. It is your responsibility to notify users on your account that the Device they are using may be location-enabled. The use of certain Location-Based Services or the disclosure of location information may be restricted by use of parental controls or similar features. Visit our website to learn more.

8. **LIFE WIRELESS 411 INFO:** In some cases our directory assistance service (411) will use the location of the Device to deliver relevant customized 411 information based upon the user's request for a listing or other 411 service. By using this directory assistance service, the user is consenting to our use of that user's location information for such purpose. This location information may be disclosed to a third party to perform the directory assistance service and for no other purpose. Such location information will be retained only as long as is necessary to provide the relevant customized 411 information and will be discarded after such use. Please see our privacy policy at http://privacy-policy.truste.com/verified-policy/www.LIFE_WIRELESS.com for additional details about our use and protection of your personal information.

We will provide you with notice of such changes (other than changes to governmental fees, proportional charges for governmental mandates, roamer rates or administrative charges) by such means as LIFE WIRELESS determines to be most practicable, including playing a recorded message when you attempt to place a call or attempt to add funds to your account, sending written notice to the address provided at the time of activation, sending an SMS message to your phone, or by such other means as LIFE WIRELESS may determine. You understand and agree that State and Federal Universal Service Fees and other governmentally imposed fees, whether or not assessed directly upon you, may be increased based upon the government's or our calculations. IF WE INCREASE THE PRICE OF ANY OF THE SERVICES TO WHICH YOU SUBSCRIBE, AS SUCH PRICES ARE SET FORTH IN YOUR RATE PLAN BROCHURE, OR IF WE MATERIALLY DECREASE THE GEOGRAPHICAL AREA IN WHICH YOUR AIRTIME RATE APPLIES (OTHER THAN A TEMPORARY DECREASE FOR REPAIRS OR MAINTENANCE), WE WILL DISCLOSE THE CHANGE IN ADVANCE. If you lose your eligibility for a particular rate plan, we may change your rate plan to one for which you qualify.

12. **TERMINATION:** Either party may terminate this Agreement (which will terminate the provision of the Service) at any time on advance notice to the other party. Funds deposited into your account via any method will not be refunded. LIFE WIRELESS may terminate this Agreement at any time without notice if we cease to provide service in your area. We may interrupt or terminate your service without notice for any conduct that we believe violates this Agreement or any terms and conditions of your rate plan, or if you behave in an abusive, derogatory or similarly unreasonable manner with any of our representatives, or if you fail to make all required payments when due or if we have reasonable cause to believe that your Device is being used for an unlawful purpose or in a way that may adversely affect our service. If you have more than one account with us, you must keep all accounts in good standing to maintain service. If one account is past due or over its limit, all accounts in your name are subject to interruption or termination and all other available collection remedies. Any provision of this Agreement which by its context is intended to apply after termination of the Agreement will survive termination, including, but not limited to, any restrictions on the use of Devices or Equipment.

13. **SERVICE LIMITATIONS; LIMITATION OF LIABILITY:** Limitations of liability set forth herein govern unless they are prohibited by applicable law. Service may be interrupted, delayed or otherwise limited for a variety of reasons, including environmental conditions, unavailability of radio frequency channels, system capacity, priority access by National Security and Emergency Preparedness personnel in the event of a disaster or emergency, coordination with other systems, equipment modifications and repairs, and problems with the facilities of interconnecting carriers. We may block access to certain categories of numbers (e.g. 976, 900 and international destinations) in our sole discretion. Your plan may include the ability to make and/or receive calls while roaming internationally. Certain eligibility restrictions apply which may be based on factors such as service tenure and/or payment history and LIFE WIRELESS, in its sole discretion, may block your ability to use your phone while roaming internationally until eligibility criteria is met. International roaming rates, which vary by country, will apply for all calls placed or received while outside the U.S., Puerto Rico and USVI. Compatible international-capable device required. If you want to block the ability to make and/or receive calls or use data functions while roaming

internationally please call customer service for assistance. When outside the U.S., Puerto Rico and USVI, you will be charged normal international roaming airtime when incoming calls are routed to voicemail, even if no message is left. Many devices transmit and receive data messages without user intervention and can generate unexpected charges when powered "on" outside the United States, Puerto Rico and USVI. LIFE WIRELESS may send "alerts" via SMS or email, to notify you of usage. These are courtesy alerts. There is no guarantee you will receive them. We may, but do not have the obligation to, refuse to transmit any information through the service and may screen and delete information prior to delivery of that information to you. There are gaps in service within the service areas shown on coverage maps, which, by their nature, are only approximations of actual coverage. WE DO NOT GUARANTEE YOU UNINTERRUPTED SERVICE OR COVERAGE. WE CANNOT ASSURE YOU THAT IF YOU PLACE A 911 CALL YOU WILL BE FOUND. Airtime and other service charges apply to all calls, including involuntarily terminated calls. LIFE WIRELESS MAKES NO WARRANTY, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, SUITABILITY, OR PERFORMANCE REGARDING ANY SERVICES OR GOODS, AND IN NO EVENT SHALL LIFE WIRELESS BE LIABLE, WHETHER OR NOT DUE TO ITS OWN NEGLIGENCE, for any: (a) act or omission of a third party; (b) mistakes, omissions, interruptions, errors, failures to transmit, delays or defects in the service provided by or through us; (c) damage or injury caused by the use of service or Device, including use in a vehicle; (d) claim against you by third parties; (e) damage or injury caused by a suspension or termination of service by LIFE WIRELESS; or (f) damage or injury caused by failure or delay in connecting a call to 911 or any other emergency service. Notwithstanding the foregoing, if your service is interrupted for 24 or more continuous hours by a cause within our control, we will issue you, upon request, either a credit equal to a pro-rata adjustment of any recurring charge (if applicable) for the time period your service was unavailable, not to exceed the charges collected for the period of interruption, or an extension of the expiration period. Our liability to you for service failures is limited solely to the credit set forth above. Unless applicable law precludes parties from contracting to so limit liability, and provided such law does not discriminate against arbitration clauses, LIFE WIRELESS shall not be liable for any indirect, special, punitive, incidental or consequential losses or damages you or any third party may suffer by use of, or inability to use, service or Device provided by or through LIFE WIRELESS, including loss of business or goodwill, revenue or profits, or claims of personal injuries. To the full extent allowed by law, you hereby release, indemnify, and hold LIFE WIRELESS and its officers, directors, employees and agents harmless from and against any and all claims of any person or entity for damages of any nature arising in any way from or relating to, directly or indirectly, service provided by LIFE WIRELESS or any person's use thereof (including, but not limited to, vehicular damage and personal injury), INCLUDING CLAIMS ARISING IN WHOLE OR IN PART FROM THE ALLEGED NEGLIGENCE OF LIFE WIRELESS, or any violation by you of this Agreement. This obligation shall survive termination of your service with LIFE WIRELESS. LIFE WIRELESS is not liable to you for changes in operation, equipment or technology that cause your Device or software to be rendered obsolete or require modification. SOME STATES, INCLUDING THE STATE OF KANSAS, DO NOT ALLOW DISCLAIMERS OF IMPLIED WARRANTIES OR LIMITS ON REMEDIES FOR BREACH. THEREFORE, THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS AGREEMENT GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE.

14. ACCOUNT ACCESS: You authorize us to provide information about and to make changes to your account, including adding new service, upon the direction of any person able to provide information we deem sufficient to identify you. An account password will be assigned to you. In order to protect the security of your account, you should change this password as soon as possible after your account is activated. If you do not change your password, your account may not be secure.

15. VOICEMAIL SERVICE: We may deactivate your voicemail service if you do not initialize it within a reasonable period after activation. We will reactivate the service upon your request.

16. DISPUTE RESOLUTION BY BINDING ARBITRATION: Please read this carefully. It affects your rights. Summary: Most customer concerns can be resolved quickly and to the customer's satisfaction by calling our customer service department at 1-888-543-3620. In the unlikely event that LIFE WIRELESS' customer service department is unable to resolve a complaint you may have to your satisfaction (or if LIFE WIRELESS has not been able to resolve a dispute it has with you after attempting to do so informally), we each agree to resolve those disputes through binding arbitration or small claims court instead of in courts of general jurisdiction. Arbitration is more informal than a lawsuit in court. Arbitration uses a neutral arbitrator instead of a judge or jury, allows for more limited discovery than in court, and is subject to very limited review by courts. Arbitrators can award the same damages and relief that a court can award. Any arbitration under this Agreement will take place on an individual basis; class arbitrations and class actions are not permitted. For any non-frivolous claim that does not exceed \$75,000, LIFE WIRELESS will pay all costs of the arbitration. Moreover, in arbitration you are entitled to recover attorneys' fees from LIFE WIRELESS to at least the same

extent as you would be in court. In addition, under certain circumstances (as explained below), LIFE WIRELESS will pay you more than the amount of the arbitrator's award and will pay your attorney (if any) twice his or her reasonable attorneys' fees if the arbitrator awards you an amount that is greater than what LIFE WIRELESS has offered you to settle the dispute.

17. ARBITRATION AGREEMENT

- a. LIFE WIRELESS and you agree to arbitrate all disputes and claims between us. This agreement to arbitrate is intended to be broadly interpreted. It includes, but is not limited to:
 - i. claims arising out of or relating to any aspect of the relationship between us, whether based in contract, tort, statute, fraud, misrepresentation or any other legal theory;
 - ii. claims that arose before this or any prior Agreement (including, but not limited to, claims relating to advertising);
 - iii. claims that are currently the subject of purported class action litigation in which you are not a member of a certified class; and
 - iv. claims that may arise after the termination of this Agreement.
- v. References to "LIFE WIRELESS," "you," and "us" include our respective subsidiaries, affiliates, agents, employees, predecessors in interest, successors, and assigns, as well as all authorized or unauthorized users or beneficiaries of services or Devices under this or prior Agreements between us. Notwithstanding the foregoing, either party may bring an individual action in small claims court. This arbitration agreement does not preclude you from bringing issues to the attention of federal, state, or local agencies, including, for example, the Federal Communications Commission. Such agencies can, if the law allows, seek relief against us on your behalf. You agree that, by entering into this Agreement, you and LIFE WIRELESS are each waiving the right to a trial by jury or to participate in a class action. This Agreement evidences a transaction in interstate commerce, and thus the Federal Arbitration Act governs the interpretation and enforcement of this provision. This arbitration provision shall survive termination of this Agreement.
- b. A party who intends to seek arbitration must first send to the other, by certified mail, a written Notice of Dispute ("Notice"). The Notice to LIFE WIRELESS should be addressed to: General Counsel, LIFE WIRELESS, PO BOX 2207 COVINGTON, GA 30015 ("Notice Address"). The Notice must (a) describe the nature and basis of the claim or dispute; and (b) set forth the specific relief sought ("Demand"). If LIFE WIRELESS and you do not reach an agreement to resolve the claim within 30 days after the Notice is received, you or LIFE WIRELESS may commence an arbitration proceeding. During the arbitration, the amount of any settlement offer made by LIFE WIRELESS or you shall not be disclosed to the arbitrator until after the arbitrator determines the amount, if any, to which you or LIFE WIRELESS is entitled.
- c. After LIFE WIRELESS receives notice at the Notice Address that you have commenced arbitration, it will promptly reimburse you for your payment of the filing fee, unless your claim is for greater than \$75,000. (The filing fee currently is \$125 for claims under \$10,000 but is subject to change by the arbitration provider. If you are unable to pay this fee, LIFE WIRELESS will pay it directly upon receiving a written request at the Notice Address.) The arbitration will be governed by the Commercial Arbitration Rules and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules are available online at www.adr.org, by calling the AAA at 1-800-778-7879, or by writing to the Notice Address. The arbitrator is bound by the terms of this Agreement. All issues are for the arbitrator to decide, except that issues relating to the scope and enforceability of the arbitration provision are for the court to decide. Unless LIFE WIRELESS and you agree otherwise, any arbitration hearings will take place in the county (or parish) of your billing address. If your claim is for \$10,000 or less, we agree that you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as established by the AAA Rules. If your claim exceeds \$10,000, the right to a hearing will be determined by the AAA Rules. Regardless of the manner in which the arbitration is conducted, the arbitrator shall issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the award is based. Except as otherwise provided for herein, LIFE WIRELESS will pay all AAA filing, administration, and arbitrator fees for any arbitration initiated in accordance with the notice requirements above. If, however, the arbitrator finds that either the substance of your claim or the relief sought in the Demand is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)), then the payment of all such fees will be governed by the AAA Rules. In such case, you agree to reimburse LIFE WIRELESS for all monies previously disbursed by it that are otherwise your obligation

to pay under the AAA Rules. In addition, if you initiate an arbitration in which you seek more than \$75,000 in damages, the payment of these fees will be governed by the AAA rules.

- d. If, after finding in your favor in any respect on the merits of your claim, the arbitrator issues you an award that is greater than the value of LIFE WIRELESS's last written settlement offer made before an arbitrator was selected, then LIFE WIRELESS will:
 - i. pay you the amount of the award; and
 - ii. pay your attorney, if any, the amount of attorneys' fees, and reimburse any expenses (including expert witness fees and costs) that your attorney reasonably accrues for investigating, preparing, and pursuing your claim in arbitration ("the attorney premium").
 - iii. If LIFE WIRELESS did not make a written offer to settle the dispute before an arbitrator was selected, you and your attorney will be entitled to receive the payment and the attorney premium, respectively, if the arbitrator awards you any relief on the merits. The arbitrator may make rulings and resolve disputes as to the payment and reimbursement of fees, expenses, and the payment and the attorney premium at any time during the proceeding and upon request from either party made within 14 days of the arbitrator's ruling on the merits.
- e. The right to attorneys' fees and expenses discussed in paragraph (4) supplements any right to attorneys' fees and expenses you may have under applicable law. Thus, if you would be entitled to a larger amount under the applicable law, this provision does not preclude the arbitrator from awarding you that amount. However, you may not recover duplicative awards of attorneys' fees or costs. Although under some laws LIFE WIRELESS may have a right to an award of attorneys' fees and expenses if it prevails in an arbitration, LIFE WIRELESS agrees that it will not seek such an award.
- f. The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. **YOU AND LIFE WIRELESS AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.** Further, unless both you and LIFE WIRELESS agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding. If this specific provision is found to be unenforceable, then the entirety of this arbitration provision shall be null and void.
- g. Notwithstanding any provision in this Agreement to the contrary, we agree that if LIFE WIRELESS makes any future change to this arbitration provision (other than a change to the Notice Address) during your Service Commitment, you may reject any such change by sending us written notice within 30 days of the change to the Arbitration Notice Address provided above. By rejecting any such change, you are agreeing that you will arbitrate any dispute between us in accordance with the language of this provision.

18. MISCELLANEOUS: This Agreement, any applicable rate summary sheet, the terms included in the rate brochure(s) describing your plan and services, terms of service for products and services not otherwise described in this Agreement or the brochure that are posted on a LIFE WIRELESS website and any documents expressly referred to herein or therein, make up the complete agreement between you and LIFE WIRELESS, and supersede any and all prior agreements and understandings relating to the subject matter of this Agreement. If any provision of this Agreement is found to be unenforceable by a court or agency of competent jurisdiction, the remaining provisions will remain in full force and effect. The foregoing does not apply to the prohibition against class or representative actions that is part of the arbitration clause; if that prohibition is found to be unenforceable, the arbitration clause (but only the arbitration clause) shall be null and void. LIFE WIRELESS may assign this Agreement, but you may not assign this Agreement without our prior written consent. In the event of a dispute between us, the law of the state of your address of record on your account at the time the dispute is commenced, whether in litigation or arbitration, shall govern except to the extent that such law is preempted by or inconsistent with applicable federal law. Your caller identification information (such as your name and phone number) may be displayed on the equipment or bill of the person receiving your call; technical limitations may, in some circumstances, prevent you from blocking the transmission of caller identification information. You consent to the use by us or our authorized agents of regular mail, predictive or autodialing equipment, email, text messaging, facsimile or other reasonable means to contact you to advise you about our services or other matters we believe may be of interest to you. In any event, we reserve the right to contact you by any means regarding customer service related notifications, or other such information. The original version of this Agreement is in the English language. Any discrepancy or conflicts between the English version and any other language version will be resolved with reference to and by interpreting the English version.
