AT&T CORP.'s RESPONSE TO STAFF'S DATA REQUEST

1-1) Pursuant to: **ARSD 20:10:27:02:01. Determination of intrastate switched access charts for competitive local exchange carriers.** A competitive local exchange carrier shall charge intrastate switched access rates that do not exceed the intrastate switched access rate of the Regional Bell Operating company operating in the state, please demonstrate that your intrastate switched access rates do not exceed those of Qwest's.

RESPONSE: The step 2 filings require AT&T Corp. to mirror FCC rates in both Rate and Structure. The current AT&T filing refers to the FCC for those rates. I have attached the FCC rate pages for both Qwest and AT&T.
