RE: WWC LICENSE LLC d/b/a Verizon Wireless - In the Matter of Annual Eligible
Telecommunications Carriers Certification and Annual Report
GPNA File No. 09540.0003 TC13-_____

Dear Ms. Van Gerpen:

Enclosed you will find WWC License LLC's annual filing requesting certification by the South Dakota Public Utilities Commission for use of Federal Universal Service support. I am providing a Public Version and Confidential Version. The Request for Certification shows that all support received will be used "only for the provision, maintenance and upgrading of facilities and services for which the support is intended." I request that the above matter be filed and WWC License LLC be certified. In support of the filing are several exhibits.

A list of the exhibits is attached to the Request for Certification. The Request for Certification and the exhibit table of contents are not confidential. All exhibits are confidential with the exception of Exhibits A, B, C and D. The information contained in the confidential exhibits is confidential under A.R.S.D. 20:10:1:39(4) and (5). Because of this, WWC License LLC requests confidential treatment of all marked exhibits pursuant to A.R.S.D. 20:10:01:41 and that the material be held confidential for ten years and then destroyed. This information is confidential as the information is internal and proprietary, can be used adversely by competitors, and the development and financial planning constitutes trade secrets as recognized by law. If there are any inquiries as to the confidential treatment, I may be contacted at the above address.

Sincerely,

Talbot J. Wiczorek
