TO POTENTIALLY INTERESTED PERSONS:

PLEASE TAKE NOTICE that the staff of the South Dakota Public Utilities Commission (Commission) will bring before Commission at its regularly scheduled meeting on November 5, 2013, a request to have the Commission issue an Order to Show Cause as to why the Commission should not revoke the Certificates of Authority of certain bankrupt telecommunications companies for their failure to pay the requisite post-bankruptcy petition gross receipts taxes and maintain in good standing their Secretary of State corporate registrations and sales tax permits from the Department of Revenue as required by South Dakota law (see attached Commission meeting agenda). **This proceeding will not result in a claim for monetary relief** with respect to bankrupt companies. In the event that you deem it in the interest of your client to participate in the proceeding, note that telephonic participation is facilitated as described in the agenda and is utilized by a great many participants on a regular basis. You may also listen to the proceeding via the Commission's web broadcast at www.puc.sd.gov. The Commission operates on e-filing basis as set forth on the Commission's web site.
