<118> Provide an explanation of network improvement targets not met in the prior calendar year.		<input type="checkbox"/>

**CHEYENNE RIVER SIOUX TRIBE TELEPHONE AUTHORITY**  
**SAC 391647**  
**INITIAL 5 YEAR PLAN**

Cheyenne River Sioux Tribe Telephone Authority ("C.R.S.T. Telephone Authority") is a rural incumbent local exchange carrier located in the central part of the state of South Dakota. C.R.S.T. Telephone Authority's study area consists of five exchanges and serves 4,676 square miles and has 2,816 working loops as of December 31, 2013. The five exchanges are Dupree, Eagle Butte, Isabel, LaPlant and South Dupree. C.R.S.T. Telephone Authority is in the process of a fiber-to-the-home network throughout its entire study area which is and will be funded by borrowings in excess of \$25 million from the Rural Utilities Service ("RUS"). The fiber-to-the-home network will cover 100% of C.R.S.T. Telephone Authority's study area and will allow all subscribers the capability of broadband speeds in excess of the 4 Mbps download and 1 Mbps upload standard established in FCC 11-161.

Currently three of the exchanges Dupree, Eagle Butte and South Dupree fiber-to-the-home projects are completed and are capable of a minimum of 4 Mbps download /1 Mbps upload broadband speeds. C.R.S.T. Telephone Authority anticipates that the LaPlant exchange fiber-to-the-home project will be completed in 2014 which currently serves [REDACTED] subscribers and the Isabel exchange fiber-to-the-home project will be completed in 2015 which currently serves [REDACTED] subscribers. C.R.S.T. Telephone Authority is currently about 82% broadband capable as of December 31, 2013, anticipates being at 92% at December 31, 2014 and 100% at December 31, 2015.

There are two exhibits attached to this five year plan. Exhibit A reflects C.R.S.T. Telephone Authority's estimated Universal Service Fund ("USF") support amounts that will be received and C.R.S.T. Telephone Authority's estimated plant investment additions and expenses for 2015-2019. Exhibit B sets out C.R.S.T. Telephone Authority's proposed plant additions.

The USF support funds received also assists C.R.S.T. Telephone Authority in repaying the RUS debt incurred in past years including significant plant investment acquired for the in progress fiber-to-the-home network project. The RUS debt balance as of December 31, 2013 was approximately [REDACTED] million with interest paid at various rates between [REDACTED] to [REDACTED]%. Approximately [REDACTED] million of this debt is associated with the fiber-to-the-home project.

C.R.S.T. Telephone Authority has made significant plant investments and expenditures since 2010 and will continue through 2015 to complete the fiber-to-the-home network. After 2015, C.R.S.T. Telephone Authority does not foresee having major plant investment. In 2015, plant investment of approximately [REDACTED] million will be used to complete the fiber-to-the-home project in the Isabel exchange.

For your information, in 2013, C.R.S.T. Telephone Authority consolidated its central office switching configuration from 5 central office switches, one for each exchange, to one main central office softswitch at the Eagle Butte exchange.

C.R.S.T. Telephone Authority sells DSL to its Internet Service Provider ("ISP"), a division of C.R.S.T. Telephone Authority, and provides the transport to the exchange boundary for the ISP as well. See Section 700 of the FCC Form 481 displaying the retail pricing of broadband services. As of December 31, 2013, the company had [REDACTED] broadband customers, which is a penetration rate of approximately [REDACTED]% of its voice customers.

As they are known to C.R.S.T. Telephone Authority at the date of this report, other than the projects described on Exhibit B, the planned investment and expenses for the period presented in Exhibit A, that C.R.S.T. Telephone Authority's expects to use as basis to request federal high-cost support, are expected to be approximately the same as 2013, taking in account normal fluctuations in investments and expense levels. For 2014, C.R.S.T. Telephone Authority expects that levels of expenses will remain relatively the same as those it experienced in calendar year 2013, subject to the effects of inflation, other commonly experienced changes in cost of labor and materials, and depreciation on investment placed in service. C.R.S.T. Telephone Authority does not anticipate major adjustments in staffing levels for the relevant periods.

Through the expenditure of the USF support received, C.R.S.T. Telephone Authority will be able to continue to provide services at a level that C.R.S.T. Telephone Authority believes meets the intent set forth in 47 U.S.C. 254 of providing quality telecommunications services to customers in the service area for which C.R.S.T. Telephone Authority is designated as an ETC. C.R.S.T. Telephone Authority has made substantial investments over the past several years which allow it to provide quality telecommunications services to its customers in its designated ETC service area. Those expenditures and investments generally benefit all customers receiving the federal high-cost fund supported services from C.R.S.T. Telephone Authority within its designated ETC service area. By expanding its network over the past several years, C.R.S.T. Telephone Authority is capable of providing access to broadband services to about [REDACTED] of C.R.S.T. Telephone Authority's designated ETC service area. C.R.S.T. Telephone Authority's goal is to provide access to broadband services throughout all of C.R.S.T. Telephone Authority's designated ETC service area by the end of 2015. C.R.S.T. Telephone Authority offers services that are comparable to services offered in urban areas at rates that are comparable to rates for such services in urban areas.

**Line 510**  
**Processes and Procedures to Ensure Compliance with Service Quality Standards**  
**and Consumer Protection Rules**  
**Per FCC Form 481 Instructions**

This document details the processes and procedures that Cheyenne River Sioux Tribe Telephone Authority (the "C.R.S.T. Telephone Authority") follows to ensure compliance with service quality standards and consumer protection rules as laid out in FCC Form 481 Instructions.

The C.R.S.T. Telephone Authority provides voice grade access to the public switched telephone networks (PSTN) at a flat rate, thereby enabling access to emergency services provided by local government or other public safety organizations such as 911.

For service quality standards that are affected by plant issues, the C.R.S.T. Telephone Authority engineers and installs its plant and other facilities in such a way as to ensure, to the greatest extent possible, safe, adequate and continuous service at all times.

In addition, employees are periodically trained on service quality standards and consumer protection issues. In particular, if any set of issues appear to be prevalent, employees are given briefings on how to handle such issues, beyond the normal guidelines in place for resolution of customer complaints. A recent example is the call completion problems that have arisen and the customer calls that are generated as a result. Although this is not a service quality problem caused by the C.R.S.T. Telephone Authority, it does affect customers of the C.R.S.T. Telephone Authority and, therefore, deserves the attention of the C.R.S. T. Telephone Authority employees.

The C.R.S.T Telephone Authority also periodically reviews its operating procedures to be sure that those operating procedures are in compliance with service quality standards and that the operating procedures are not in violation of consumer protection rules. Internally a compliance officer ensures annual employee training and dictates disciplinary processes for improper use of consumer information. If concerns arise that cannot be handled by the compliance officer, legal counsel is sought to assist with a resolution.

If complaints are filed with the C.R.S. T. Telephone Authority related to service quality standards or consumer protection rules, the complaint is immediately investigated, the matter tracked and any corrective action noted. This process ensures that problems are addressed and corrections made. It should be noted that the C.R.S.T. Telephone Authority has received no customer complaints in the past five years regarding service quality standards or consumer protection rules as they relate to the service offered by the C.R.S.T. Telephone Authority.

The C.R.S.T. Telephone Authority advertises the availability of its services and the charges using media of general distribution and on its website.

**LINE 610**  
**STATEMENT DEMONSTRATING FUNCTIONALITY**  
**IN EMERGENCY SITUATIONS**

At line 600 of FCC Form 481, Cheyenne River Sioux Tribe Telephone Authority (“C.R.S.T. Telephone Authority”) certified that it is able to function in emergency situations as set forth in 47 C.F.R § 54.202(a)(1)(ii). This means that C.R.S.T. Telephone Authority has reasonable amount of back-up power to ensure functionality without an external source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations. This statement will detail how C.R.S.T. Telephone Authority is prepared to ensure continued service in an emergency situation.

Back-Up Power

C.R.S.T. Telephone Authority has a back-up generator available with a minimum of a four hour power supply for its central office. In addition, it has portable generators available for remote sites.

Rerouting of Traffic Around Damaged Facilities

C.R.S.T. Telephone Authority has route redundancy for long distance service, E-911 trunking and SS7 signaling trunking.

In the case of isolated groups of customers that may suffer damage due to a cable cut, C.R.S.T. Telephone Authority maintains sufficient staff and other resources to be able to put customers back in service in a very short amount of time. C.R.S.T. Telephone Authority's emergency service equipment is located within its exchange and requires very little time to dispatch.

Traffic Spikes

C.R.S.T. Telephone Authority's outside plant is designed, engineered and built with sufficient capacity to handle traffic spikes resulting from emergency situations and has been able to do so in the past. C.R.S.T. Telephone Authority is in an area where severe weather strikes periodically and has been able to handle communication needs at those times and has the experience from those situations to be able handle such emergency situations in the future.

**PER FCC FORM 481 INSTRUCTIONS**

Cheyenne River Sioux Tribe Telephone Authority (the “C.R.S.T. Telephone Authority”) is 100% wholly – owned by the Cheyenne River Sioux Tribe (the “Tribe”) and actively engages in dialogue with the Tribe on a monthly and sometimes daily basis. Those discussions include the C.R.S.T. Telephone Authority’s ongoing fiber project, loan requirements, service offerings and concerns on continued revenue support payments at the Federal and State levels.

The C.R.S.T. Telephone Authority is currently in year five of a six year fiber to the home/premise construction project that will provide the increased capability of broadband services and continued voice services to residential and commercial subscribers on the Cheyenne River Sioux Tribe Reservation, covering Dewey and Ziebach counties in Central South Dakota.

Tribal community anchor institutions include:

- US DHHS - Indian Health Service Health Care – Eagle Butte
- Cheyenne River Sioux Tribe Field Health - Cherry Creek, Red Scaffold, White Horse & Swiftbird Clinics
- US DOI – Bureau of Indian Affairs and Bureau of Indian Education
  - Cheyenne Eagle Butte School
  - Takini School
  - Tiospaye Topa School
- SD Department of Education (Digital Dakota Network DDN)
  - Eagle Butte School District
  - Dupree School District
- Family Health Care – Eagle Butte and Isabel
- Eagle Butte Community Library
- Cheyenne River College Center – Oglala Lakota College

These community anchor institutions are in direct and indirect contact with the C.R.S.T. Telephone Authority to order both telephone and broadband services. As the fiber project continues, the Tribal community anchor institution customers not currently served by fiber facilities, will have available to them faster broadband speeds as the fiber project is completed.

The C.R.S.T. Telephone Authority is very sensitive to the Tribe’s culture and the marketing of the C.R.S.T. Telephone Authority’s services. Service offerings and packages are discussed at all staff levels and are reviewed by Tribal attorneys, ensuring cultural sensitivity.

The C.R.S.T. Telephone Authority is in compliance with land use permitting requirements, facilities siting, environmental and cultural preservation review processes with the Tribe. C.R.S.T. Telephone Authority is currently working on a right of way issue and will be compliant with the right of way processes once this is resolved.

The C.R.S.T. Telephone Authority retains all the required business and licensing requirements which include certificates of public convenience and necessity, business license, master license and any other related forms expected by the Tribe.

## Birthday celebrated

Submitted by Bev Birkland

Lorraine McLellan celebrated her birthday at the Dupree Senior Center on October 8.

Her 86th birthday will be October 25, and Lorraine is still getting around on her own just fine. There were eight at dinner, dining on angel food cake with strawberries and ice cream. Wishing her many more birthdays!

## South Dakota Farm Bureau and South Dakota Farmers Union call on Congress to take action

HURON — With the expiration of the nine-month extension of the 2008 farm bill this past Monday, South Dakota Farm Bureau and South Dakota Farmers Union are together calling on Congress to get down to business and take the steps needed to pass a new farm bill before the end of the year.

"These extensions and expirations are unfortunately becoming business-as-usual at the Capitol. Congress can't keep kicking the can down the road on farm policy while America's farmers and ranchers are trying to manage their family businesses with no idea what the parameters will be for the coming year," said Scott VanderWal, a family farmer from Volga, S.D. and President of the South Dakota Farm Bureau. "The production of our nation's food supply is too important to leave to chance, so we're asking Congress to move the process along and get a solid, five-year farm bill enacted before year's end."

"South Dakotans are depending on Congress to finish the job and pass a comprehensive five-year farm bill," said South Dakota Farmers Union President Doug Sombke. "This is the second time in over a year that Congress has not done its job by letting the farm bill expire. Our country needs food and job security. Passing a farm bill will not only provide this security, but it will allow our state to have certainty in agriculture, provide

for greater energy independence, enhance conservation and rural development, and further reduce our nation's deficit."

South Dakota Farm Bureau and South Dakota Farmers Union are calling on Congress to pass a bi-partisan and deficit-reducing farm bill before the end of the year that keeps the nutrition title with the farm bill, maintains permanent law, provides a strong safety net for farmers and ranchers against uncontrollable market factors and weather disasters, and keeps a strong conservation title.

The U.S. Senate passed its farm bill in June, but work on the legislation stopped in mid-July after the U.S. House passed a farm bill without a nutrition title. On Sept. 28, two days before the expiration of the farm bill extension, the House reconnected its recently-passed nutrition title with the farm provisions, finally putting the farm bill back on track for a House-Senate conference.

Most recently the Senate reappointed its conferees on Oct. 1, but the House has yet to do so. Once the House names its conferees they must iron out the differences between the two bills, particularly on Supplemental Nutrition Assistance Program (SNAP) funding; the Senate bill calls for a \$4.1 billion reduction in SNAP funding over the next decade, compared to the House's \$40 billion in cuts.

## Sr. Citizens Menu

**Thursday, October 17**  
Roast beef, mashed potatoes w/ gravy, harvest beets, peach crisp

### Free Screening at Dupree School

"The Dupree School District, in conjunction with Northwest Area Schools Educational Cooperative has scheduled its annual screening for children birth to kindergarten age.

Screenings will be held on Wednesday, September 11 from 1:00 to 4:00 pm Mountain Time at the Dupree School Old Gym. This screening is free. It will assist parents and guardians in helping their child/children prepare for school.

The screening involves hearing, vision and an assessment of development in the areas of speech/language, motor and cognitive development. The purpose of such a screening is to detect delays in a child's development that could affect their success in school: the earlier any difficulties are detected the sooner the school and you as parents or guardians can work together to help your child overcome any problems.

The results of the screening are discussed with the parent/s or guardian on the day of the screening. If delays are suspected, plans for a more thorough evaluation will be discussed. This may lead to an individualized program designed to help your child develop skills needed for school. Services are available for children who qualify at no cost to the parent/s or guardian.

Screening for your child is the first step in helping to ensure school success. Please bring your child of birth to kindergarten age for this free screening.

If you have questions or concerns, please call the Dupree School at 605-365-5140, or the Northwest Area Schools office at 605-466-2206. If you cannot attend the screening in your area you are welcome to attend a screening in a neighboring school."

### Holmes Ranch nominated for 2013 Soil Conservation

Four agricultural operations were nominated to receive the 2013 Soil Conservation Award by their local conservation district. The winners include: Jeffrey and Barb Clark of Marshall County; Kevin Myers of Moody County; David Hansen of Roberts County; and the Holmes Ranch of Ziebach County.

Each award winner will receive a certificate and recognition sign, which the recipient may install on the property for which their conservation efforts are being recognized.

The Soil Conservation Award Program was created by the South Dakota Legislature in 2008 to recognize exceptional farming and ranching practices that conserve soil and other natural resources in South Dakota.

Current state residents or groups may nominate any South Dakota farming or ranching operation for the award by submitting a nomination form—available at any Conservation District office—to the producer's local Conservation District.

Agricultural operations utilizing grassed waterways, terraces, crop rotations, sufficient crop residue to protect soil stability, no-till, grasslands managed for sustainable productivity, livestock management to limit soil and nutrient runoff or forest lands managed according to a forest stewardship plan to conserve soil are eligible for the award.

Nominations must be received by the Conservation District by no later than Jan. 1 of each calendar year.

**AFFORDABLE CARE ACT OUTREACH AND ENROLLMENT SPECIALISTS FOR NAVIGATOR PROJECT**

Western SD Community Action is hiring temporary, part-time staff to provide enrollment assistance to uninsured/underinsured people through the Affordable Care Act. (TRAINING WILL BE PROVIDED) \$12.00-\$15.00/hour 20-30 hours per week. Must be computer literate. Valid SD drivers license with no major violations within the last 5 years and an insured vehicle. For more information and/or application contact Western S.D. Community Action, Inc. 1844 Lombardy Drive, Rapid City S.D. Phone (605) 348-1480 or (800) 327-1703.

Position will be open until filled.

### House For Sale

Former Allen Hellesund home for sale by sealed bids. Three bedrooms located on corner lots, located close to school and downtown. Nice hardwood floors, detached garage and fenced yard with well. Three storage buildings in backyard that are perfect for shop or hobby. Sealed bids must be submitted to Aberle and Aberle, P.O. Box 236, Timber Lake, SD 57656 in a sealed envelope marked "House Bid" by 10 a.m. on September 10, 2013. Bids should include name, address and phone number of bidder. Successful bidder will be required to make 10% non-refundable deposit upon acceptance of the bid. Title will be transferred by warranty deed and closing will take place within 15 days of delivery of title insurance commitment to buyer. Cost of title insurance will be split equally between buyer and seller. Real estate taxes will be pro-rated to date of possession. Seller reserves the right to reject any and all bids. Call Lloyd at 605-865-3727 to make arrangements to view property.

\$25.00 non-refundable fee

Dupree residents interested can take the classes virtually at the Dupree Community Center

605-964-3687

**Lifeline, Link Up, and Toll Limitation Service support** provide discounts to eligible low-income consumers to help them establish and maintain telephone service. **Note:** Telecommunications carriers cannot charge a Lifeline customer federal USF fees on the local service portion of their telephone bill.

***What type of discount is available?***

**Lifeline** assistance lowers the cost of basic, monthly local telephone service. Eligible consumers can receive up to \$22.75 per month in discounts.

Eligible residents of Indian reservations or tribal lands can receive up to an additional \$25 in Lifeline support, but must pay at least \$1 for basic monthly service.

**Link Up** reduces the cost of initiating new telephone service. Eligible consumers can receive a 50% discount off of the one-time costs associated with initiating telephone service, up to a maximum of \$30. Eligible consumers also qualify for a deferred payment schedule for remaining costs of up to \$200.

Eligible low-income consumers living on tribal lands are eligible for an additional discount of up to \$70 to cover 100% of the charges between \$60 and \$130.

**Toll Limitation Service (TLS)** support allows eligible consumers who wish to avoid incurring large long distance fees to choose toll blocking or toll control at no cost.

***How do I know whether I am eligible?***

Eligibility for Lifeline, Link Up, and TLS support *varies by state*. Individuals who reside in states that have their own discount programs qualify for federal Lifeline, Link Up, and TLS support if they meet the eligibility criteria established by their state. In states that do not provide state support, an individual is eligible if he or she participates in one of the following programs:

- Low-Income Home Energy Assistance Program (LIHEAP)
- Federal Public Housing Assistance or Section 8
- Medicaid
- Food Stamps
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- National School Lunch Program's free lunch program

In addition, a consumer may be eligible if his or her household income is at or below 135% of the federal poverty guidelines:

---

**2013 Estimated Income Requirements for a Household at or  
Below 135% of the Federal Poverty Guidelines**

<b>Persons in Family Unit</b>	<b>48 Contiguous States and D.C.</b>
1	\$11,490
2	\$15,510
3	\$19,530
4	\$23,550
5	\$27,570
6	\$31,590
7	\$35,610
8	\$39,630
For each additional person, add	\$4,020

Residents of Indian reservations or tribal lands qualify if they participate in any of the programs listed above, have a household income that is at or below 135% of the federal poverty guidelines, or participate in one of these programs:

- Bureau of Indian Affairs (BIA) general assistance
- Head Start (income eligible)
- Tribal TANF

***How do I apply to receive Lifeline, Link Up, and TLS support discounts?***

To apply for Lifeline, Link Up, and TLS discounts please contact 1-888-587-7035.

The Universal Service Administrative Company's (USAC) web site contains state-specific Lifeline information for many companies at [www.lifelinesupport.org](http://www.lifelinesupport.org)

**Tribal Lifeline And Linkup Program**

You May Be Eligible For Discounted Telephone Service.

Qualifying customers who reside within the boundaries of the Cheyenne River Sioux Indian Reservation. This program can decrease your local monthly telephone service by as much as \$22.75 per month.

On January 01, 1998, the basic Lifeline and Linkup program was implemented. This program was designed to assist low-income consumers with the cost of basic telephone service. On October 01, 2001, the Enhanced Lifeline and Link-up rules were implemented. This "enhanced" program applies to low income consumers living on tribal lands.

**Eligibility Requirements:**

This low income federal telephone assistance program is available to eligible subscribers that are participating in at least one of the following public assistance programs:

- Bureau of Indian Affairs (BIA) general assistance program
- Federal Public Housing Assistance
- Food Distribution Program on Indian Reservations
- Food Stamps
- Head Start (meeting income qualifying standards)
- Household Income is at or below 135% of the Federal Poverty Guidelines
- Low Income Home Energy Assistance
- Medicaid (eg., Title XIX Medical State Supplemental Assistance)
- Supplemental Security Income (SSI)
- Tribally Administered Temporary Assistance for Needy Families TANF

CHEYENNE RIVER SIOUX TRIBE TELEPHONE AUTHORITY  
391647

Line 1222 Details on the number of minutes provided as part of the plan.

The C.R.S.T. Telephone Authority only provides its lifeline customers a flat rate local service. There is no measured local service provided, so the number of minutes provided is not necessary.

Line 1223 Additional charges for toll calls, and rates for each such plan.

The C.R.S.T. Telephone Authority provides access to toll service providers for its lifeline customers. The lifeline customer has to choose it's own toll service provider, so no additional charges are noted or required by the C.R.S.T. Telephone Authority.

I further certify that the information reported on this form and in the documents attached below is accurate.**

(3010) **Progress Report on 5 Year Plan Milestone Certification (47 CFR § 54.313(f)(1)(i))**

Name of Attached Document Listing Required Information

(3011) Please check this box to confirm that the attached document(s), on line 3012 contains the required information pursuant to § 54.313 (f)(1)(ii), the carrier shall provide the number, names, and addresses of community anchor institutions to which began providing access to broadband service in the preceding calendar year.

(3012) **Community Anchor Institutions (47 CFR § 54.313(f)(1)(ii))**

Name of Attached Document Listing Required Information

(3013) Is your company a Privately Held ROR Carrier (47 CFR § 54.313(f)(2)) (Yes/No)  Yes  No

(3014) If yes, does your company file the RUS annual report (Yes/No)  Yes  No

Please check these boxes to confirm that the attached document(s), on line 3017, contains the required information pursuant to § 54.313(f)(2) compliance requires:

(3015) Electronic copy of their annual RUS reports (Operating Report for Telecommunications Borrowers)

(3016) Document(s) for Balance Sheet, Income Statement and Statement of Cash Flows

(3017) If the response is yes on line 3014, attach your company's RUS annual report and all required documentation

391647sd3017.pdf

Name of Attached Document Listing Required Information

(3018) If the response is no on line 3014, Is your company audited? (Yes/No)  Yes  No

If the response is yes on line 3018, please check the boxes below to confirm your submission, on line 3026 pursuant to § 54.313(f)(2), contains

(3019) Either a copy of their audited financial statement; or (2) a financial report in a format comparable to RUS Operating Report for Telecommunications

(3020) Document(s) for Balance Sheet, Income Statement and Statement of Cash Flows

(3021) Management letter issued by the independent certified public accountant that performed the company's financial audit.

If the response is no on line 3018, please check the boxes below to confirm your submission, on line 3026 pursuant to § 54.313(f)(2), contains:

(3022) Copy of their financial statement which has been subject to review by an independent certified public accountant; or 2) a financial report in a format comparable to RUS Operating Report for Telecommunications Borrowers.

(3023) Underlying information subjected to a review by an independent certified public accountant

(3024) Underlying information subjected to an officer certification.

(3025) Document(s) for Balance Sheet, Income Statement and Statement of Cash Flows

(3026) Attach the worksheet listing required information

Name of Attached Document Listing Required Information

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0572-0031. The time required to complete this information collection is estimated to average 4 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
