

Docket Number: TC14-056  
Subject Matter: Staff's Data Request 2  
Request to: Long Lines Wireless LLC  
Request from: South Dakota Public Utilities Commission Staff  
Date of Request: 7/17/14  
Responses Due: 7/31/14

2.1. Per USAC schedule of disbursement for 2013, it lists (\$1644) for Interstate Common Line Support (ICLS) and \$110,340 in Frozen High Cost Support (FHCS), please give a detailed verbal explanation as to why these two figures are not reported in Exhibit A as part of 2013 Federal Universal Service Receipts. **It was an oversight by the Company and will file an amended Exhibit A if requested.**

2.2. In this year's Annual ETC Certification Filing it states "Consistent with federal universal service principles, the Company will use federal universal service amounts received in 2014 to offset a portion of these 2014 expenditures." What specific expenditures are going to be offset in 2014? **The monies that will be paid in 2014 were earned by the Company in 2013, USAC pay 1 year in arrears. At this time it is unknown what expenditures will be incurred related to the network and the final wrapping up of operations after the sale of assets and customers at the end of 2013.**

2.3. Does Long Lines Wireless LLC anticipate any future filings for ETC in the future? **The Company does not foresee any future filings for ETC status at this time.**
