Total Supported Expenditures, Before Return on Investment	

[At the wire center level, describe the above-referenced capital additions made in 2013. If applicable, provide an explanation as to why actual capital additions in 2013 do not match the capital additions shown as planned for 2013 (included with the Company's 2012 filing). Explain any network improvement targets that were not fulfilled or any additions that took place in 2013 that had not been planned. And, finally, identify any revisions to the 2014 capital plan as submitted with last year's filing.]

Proposed Network Improvements: and Updates

The Company's 2014 estimated capital additions included with last year's filing are provided again for reference, together with capital additions planned for 2015.

Provide data for each wire center in the Company's service area where switching, exchange transmission equipment or cable and wire upgrades are planned.

No capital improvements are planned in the following wire centers but nonetheless may be necessary in connection with the provision of service to new customers. *List the remaining wire centers in the Company's service area.*
