Re: Cricket Communications LLC Registration Withdrawal

Dear Ms. Van Gerpen:

On April 29, 2014, I notified the South Dakota Public Utilities Commission that AT&T, Inc. had acquired Leap Wireless International, Inc., which included the wireless licenses held by the Leap subsidiary, Cricket Communications Inc. That notification was made in Docket TC54 as a 2014 Informational Filing. In my notification, I included the New Wireless Telecommunications Providers Form. On March 24, 2015, an updated New Wireless Telecommunications Provider Form was filed in 2015 Informational Docket TC45, updating the name from Cricket Communications Inc. to Cricket Communications LLC.

On September 16, 2015, Cricket Communications LLC ceased to provide service in South Dakota. Prior to that date, Cricket Communications LLC offered customers the option to transition to Cricket Wireless LLC (another subsidiary of AT&T registered with the Commission on April 29, 2014) or another carrier of their choice. With this letter, Cricket Communications LLC requests to withdraw its registration in the state of South Dakota.

Please let me know if you have questions or need additional information. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Wauneta Browne".
