Yes, You Can Afford Cell Phone Service, and JVT Can Show You How!

Federal and state lawmakers believe that every person in America should have access to quality, affordable telecommunications service. In fact, they've created a system to do just that.

If you participate in programs such as food stamps, Medicaid, the national school free-lunch program, Section 8 housing or supplemental security income or if your household income is below a certain threshold level, you may qualify for a discount on your cell phone bill.

This "universal service" support includes:

Lifeline assistance that provides discounts for basic monthly cell phone service. Additional discounts for eligible consumers living on tribal lands.

Important Information

You will be required to provide documentation of eligibility. Lifeline is a federal government assistance benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment, or being barred from the program.

Only one Lifeline service is available per household. A household is defined, for the purposes of the Lifeline program, as any individual or group of individuals who live together at the same address as one economic unit. An "economic unit" consists of all adult individuals contributing to and sharing in the income and expenses of a household. A household may include related and unrelated persons. A household is not permitted to receive Lifeline benefits from multiple providers. Violation of the one-per-household limitation constitutes a violation of the Federal Communications Commission's rules and will result in your de-enrollment from the program. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person.

I give JVT/James Valley Wireless permission to release to the Universal Service Administration Company (USAC) or its agent any records required to confirm that my household receives one Lifeline benefit. If USAC finds that my household receives more than one Lifeline benefit, USAC will notify the telephone companies and I will have to select one service and I will be de-enrolled from the other.

Initial here _____

I certify, under penalty of perjury, that:

- (1) I meet the income-based or program-based eligibility criteria for receiving Lifeline, provided in 47 C.F.R. § 54.409. I have provided documentation of eligibility if required to do so;
- (2) I will notify the carrier within 30 days if, for any reason, I no longer satisfy the criteria for receiving Lifeline including, as relevant, if I no longer meet the income-based or program-based criteria for receiving Lifeline support, I am receiving more than one Lifeline benefit, or another member of my household is receiving a Lifeline benefit;
- (3) If I move to a new address, I will provide that new address to the telephone company within 30 days;
- (4) If I provided a temporary residential address to the telephone company, I will be required to verify my temporary residential address every 90 days;
- (5) My household will receive only one Lifeline service and, to the best of my knowledge, my household is not already receiving a Lifeline service;

(6) The individual named on the documentation provided demonstrating program-based eligibility, if not me, is part of my household.

(7) I acknowledge that I may be required to re-certify my continued eligibility for Lifeline at any time, and my failure to re-certify as to my continued eligibility will result in de-enrollment and the termination of my Lifeline benefits pursuant to 47 C.F.R. § 54.405(e)(4);

(8) I acknowledge that providing false or fraudulent information to receive Lifeline benefits is punishable by law; and

(9) The information contained in this application and certification form is true and correct to the best of my knowledge.
