Dear Swiftel Customer:

You are receiving this letter because you currently participate in Swiftel Communications' Lifeline Assistance Program. Currently, the program provides you a monthly discount of \$9.25 to offset the charge for your monthly residential voice telephone service.

Following Federal Communications Commission (FCC) requirements, Swiftel must receive a completed Lifeline Assistance Application Form from all participants each year. This Re-Certification Form is much like the Lifeline form(s) you have completed in the past, however no documentation is needed supporting why you qualify for the discount.

The Lifeline Discount Re-Certification form is enclosed with this letter and needs to be completed and returned to our office by January 23, 2015 for you to continue receiving the discount. If we do not receive the completed form from you, we are required to remove the discount from your Swiftel account.

In an effort to eliminate abuse of the program by consumers getting more than one discount, the FCC has set up the National Lifeline Accountability Database. Following Federal Law, Swiftel is required to check this Database before applying the discount to new Lifeline customers. Swiftel is also required to provide current Lifeline customer information for entry into the Database.

The second form sent with this letter is a Consent to Provide Information form authorizing Swiftel to provide your information (listed on the form) to the Database administrator. *If Swiftel does not receive a signed Consent form by January 23rd, we are required to remove the discount from your account.*

Please return both completed forms in the envelope provided by January 23rd. Feel free to call me at 692-6211 or 692-6325 with any questions you may have regarding the application or the Lifeline program.

Sincerely,

Jane Siekmann

December 2014

Dear Sprint-Swiftel Customer:

You are receiving this letter because your Sprint PCS wireless service account currently participates in Swiftel Communications' Lifeline Assistance Program. Currently, the program provides you a monthly discount of \$9.25 to offset the charge for your monthly residential voice wireless telephone service.

The Federal Communications Commission (FCC) requires that we receive a completed Lifeline Assistance Re-Certification Form from all participants each year. This Re-Certification Form is much like the Lifeline form(s) you have completed in the past, however *no documentation is needed supporting why you qualify for the discount.*

The Re-Certification Form enclosed with this letter needs to be completed and returned to our office by January 23, 2015 to continue receiving the credit. *If we do not receive the completed form from you, we are required to remove the credit from your Sprint account.*

Another new rule from the FCC regarding the Lifeline Assistance Program is an effort to eliminate abuse of the program by consumers getting more than one discount (some consumers have claimed discounts for multiple wireline telephone services, or for both wireline and wireless service). To accomplish this, the FCC has set up the National Lifeline Accountability Database. Swiftel is required to provide current Lifeline customer information for entry into the Database.

The second form sent with this letter is a Consent to Provide Information so Swiftel can provide your information (listed on the form) to the Database administrator. *If Swiftel does not receive a signed consent form, we are required to remove the discount from your account.*

Please return both completed forms in the envelope provided by January 23rd. Feel free to call me at 692-6211 or 692-6325 with any questions you may have regarding the application or the Lifeline program.

Sincerely,

Jane Siekmann

Consent to Provide Lifeline Subscriber Information to the National Lifeline Accountability Database

The Federal Communications Commission has established the *National Lifeline Accountability Database* ("Database") to detect and prevent consumers from receiving more than one discounted telephone service under the federal Lifeline program.

Under federal law, Swiftel Communications is required to check/query this Database prior to signing up Lifeline subscribers and is also required to provide to the federal administrator of this Database the following information regarding each new and existing Lifeline subscriber.

- Lifeline subscriber's full name;
- Lifeline subscriber's full residential address;
- Lifeline subscriber's date of birth;
- The last four digits of the Lifeline subscriber's Social Security number;
- The telephone number associated with the Lifeline-discounted service;

- Date on which the Lifeline-discounted service was terminated (if applicable);
- The amount of Lifeline service support being sought for the subscriber;
- The means through which the subscriber qualified for the Lifeline discount (income- or program-based participation).

The above information related to your Lifeline service is being provided by Swiftel to the federal administrator of the Database (the Universal Service Administrative Company and/or its agents). This is to verify that you, and other, Lifeline applicants and/or subscribers, are not receiving more than one Lifeline discount. And, overall, to otherwise ensure proper administration of the Lifeline program.

As signed below:

I, the Lifeline applicant/subscriber, acknowledge that Swiftel will transmit to the administrator of the National Lifeline Accountability Database the above-referenced information about my Lifeline account and/or service, to be included in the Database. And, I hereby consent to transmission of the information for purposes allowed by law relating to administration of the Lifeline program.

I further understand that failing to provide this consent to release my Lifeline account and/or service information to the administrator, to be included in the National Lifeline Accountability Database, will result in the loss of the Lifeline discount on my telephone service account.

Lifeline Household Worksheet (2015)

For use when a household member qualifies the subscriber for the Lifeline discount.

Account-Holder's Name (printed)	
Address	
Telephone Number	

Lifeline is a government program that provides a monthly discount on home or mobile telephone services. Only ONE Lifeline discount is allowed per household. Members of a household are not permitted to receive Lifeline service from multiple telephone companies.

Your household is everyone who lives together at your address as one economic unit (including children and people who are not related to you).

The adults you live with are part of your economic unit if they contribute to and share in the income and expenses of the household. An adult is any person 18 years of age or older, or an emancipated minor (a person under age 18 who is legally considered to be an adult). Household expenses include food, health care expenses (such as medical bills) and the cost of renting or paying a mortgage on your place of residence (a house or apartment, for example) and utilities (including water, heat and electricity). Income includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings.

Spouses and domestic partners are considered to be part of the same household. Children under the age of 18 living with their parents or guardians are considered to be part of the same household as their parents or guardians. If an adult has no income, or minimal income, and lives with someone who provides financial support to that adult, both people are considered part of the same household.

You have been asked to complete this Worksheet because someone else currently receives a Lifeline-supported service at your address. This other person may or may not be a part of your household. Answer the questions below to determine whether there is more than one household residing at your address.

- Does your spouse or domestic partner (that is, someone you are married to or in a relationship with) already receive a Lifeline-discounted phone? (check no if you do not have a spouse or partner) YES NO
 - If you checked YES, you may not sign up for Lifeline because someone in your household already receives Lifeline. Only ONE Lifeline discount is allowed per household.
 - If you checked NO, please answer question #2.
- Other than a spouse or partner, do other adults (people over the age of 18 or emancipated minors) live with you at your address?

A. A parent	<input type="checkbox"/> YES <input type="checkbox"/> NO	D. An adult roommate	<input type="checkbox"/> YES <input type="checkbox"/> NO
B. An adult son or daughter	<input type="checkbox"/> YES <input type="checkbox"/> NO	E. Other _____	<input type="checkbox"/> YES <input type="checkbox"/> NO
C. Another adult relative (such as a sibling, aunt, cousin, grandparent, grandchild, etc.)	<input type="checkbox"/> YES <input type="checkbox"/> NO		

 - If you checked NO for each statement above, you do not need to answer the remaining questions. Please initial line B, below, and sign and date the worksheet.
 - If you checked YES, please answer question #3.
- Do you share living expenses (bills, food, etc.) and share income (either your income, the other person's income or both incomes together) with at least one of the adults listed above in question #2? YES NO
 - If you checked NO, then your address includes more than one household. Please initial lines A and B below, and sign and date the worksheet.
 - If you checked YES, then your address includes only one household. You may not sign up for Lifeline because someone in your household already receives Lifeline.

CERTIFICATION

Please initial the certifications below and sign and date this worksheet. Submit this worksheet to _____ Swiftel Communications along with your Lifeline application.

- I certify that I live at an address occupied by multiple households.
- I understand that violation of the one-per-household requirement is against the Federal Communication Commission's rules and may result in me losing my Lifeline benefits, and potentially, prosecution by the United States government.
