Access Services Tariff (S.D. P.U.C. Tariff No. 1); *Revised Submission*

Dear Ms. Van Gerpen,

Enclosed, pursuant to discussion with Staff, is a revised filing of MCC Telephony of the Midwest, LLC's ("MCC Telephony") proposed revisions to the Company's above-referenced telecommunications access services tariff. The purposes of this filing are to: (i) maintain MCC Telephony's switched access rates at applicable benchmark levels; (ii) incorporate cross-references to the Company's federal tariff for terminating rates; and (iii) insert clarifying text, particularly with respect to rates for Voice-over-Internet-Protocol services. Pursuant to Federal Communications Commission regulations, MCC Telephony's intrastate terminating switched access rates remain at parity with the Company's interstate terminating switched access rates. The following pages are included with this filing:

Pages	Revision Level

23	2 nd Revised Page
50, 51	5 th Revised Page

This tariff material is submitted with an issued date of July 31, 2015, and a proposed effective date of August 30, 2015.
