

Docket Number: TC15-062

Subject Matter: First Data Request

Request to: NextGen Communications, Inc.

Request from: South Dakota Public Utilities Commission Staff

Date of Request: September 23, 2015

Responses Due: September 30, 2015

1-10. In the event that NextGen, in the future, plans to pursue other customers in South Dakota, pursuant to ARSD 20:10:32:03(14), how does NextGen market itself for contracts? Provide company brochures that are used in the sale of these services.

Answer: NextGen provides only 911 services. It has no plans to pursue any other customers in South Dakota. In this case it responded to a solicitation. NextGen does not have any sales brochures.
