#### **Important Information**

You will be required to provide documentation of eligibility. Lifeline is a federal government assistance benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment, or being barred from the program.

Only one Lifeline service is available per household. A household is defined, for the purposes of the Lifeline program, as any individual or group of individuals who live together at the same address as one economic unit. An "economic unit" consists of all adult individuals contributing to and sharing in the income and expenses of a household. A household may include related and unrelated persons. A household is not permitted to receive Lifeline benefits from multiple providers. Violation of the one-per-household limitation constitutes a violation of the Federal Communications Commission's rules and will result in your de-enrollment from the program. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person.

I give JVT/James Valley Wireless permission to release to the Universal Service Administration Company (USAC) or its agent any records required to confirm that my household receives one Lifeline benefit. If USAC finds that my household receives more than one Lifeline benefit, USAC will notify the telephone companies and I will have to select one service and I will be de-enrolled from the other.

(3) If I move to a new address, I will provide that new address to the telephone company within 30 days;

(4) If I provided a temporary residential address to the telephone company, I will be required to verify my temporary residential address every 90 days;
