

WHERE ARE THESE PEOPLE?!

EVER TRY CALLING FOR ASSISTANCE ON YOUR PHONE BILL?

Chances are you'll go through a maze of voice mail before you reach an actual person. And that person is probably sitting in a call center six states away. At NT&T, we've got a different idea of customer service. Call our toll-free number any time of day or night, and you'll reach a real live NT&T representative in two rings. We don't want to lose you in a voice mail maze - your business is too important to us.

Let us prove it by taking the **NT&T 20 Minute Challenge**. Show us your current bill and we'll calculate how much the phone services you want will cost with us. You'll get a special NT&T Calling Card with 60 minutes of free long distance service just for participating.

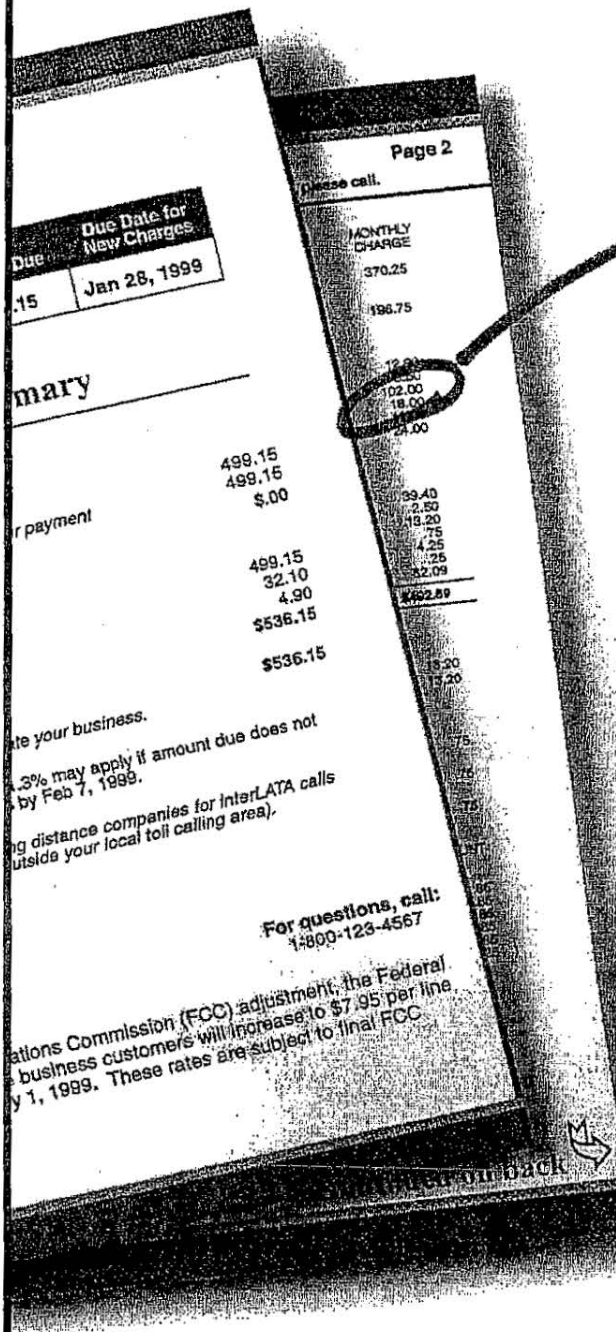

Call 384-5452

WOW! GREAT OFFER.

WHAT IS THIS?!

IS YOUR BUSINESS PAYING TOO MUCH FOR PHONE SERVICE?

Find out by taking the NT&T 20 Minute Challenge. Show us your current bill and we'll calculate how much the phone service you want will cost with us.

NT&T offers competitive rates on local and long distance phone service, with simple easy-to-read monthly statements.

And as always, when you call NT&T, you'll get a live customer service representative. Try that with your current phone service.

Take the NT&T 20 Minute Challenge. You'll get a special NT&T Calling Card with 60 minutes of free long distance service just for participating.

Like a good cup of coffee at your favorite cafe.

That's what it's like doing business with NT&T.

We're Nebraska Technology and Telecommunications. A locally owned and operated company as unique as Nebraska itself.

We're a better choice for local and long distance phone service for your home and business. At NT&T, you're a name, not an account number. And one phone call will get you the attention you deserve regarding any one of our competitively priced services.

Like your favorite local cafe, we're the comfortable choice.

For more information, call us at 237-3597.
A friendly NT&T customer service specialist will be pleased to help you.

Phone service made simple.

Like a Sunday drive on your favorite country road.

That's what it's like doing business with NT&T.
Easy. No surprises.

Because at Nebraska Technology & Telecommunications, you're a name, not an account number. One phone call is all it takes to get your new local and long distance service hooked up, and you won't spend 10 minutes listening to a maze of computer messages. You'll talk to a live NT&T operator within 4 rings.

And when it comes to billing, expect just one easy-to-read bill from NT&T that covers all the services you choose from us. You'll write just one check to one company.

And did we mention we're Nebraska owned and operated? Just another reason we're easy to do business with. Like driving that road you know so well.

Call us in Kearney at 237-3597 or toll-free at 1-888-273-6693. A friendly NT&T customer service specialist will be pleased to help you.

The logo for Nebraska Technology & Telecommunications (NT&T) features the letters 'NT&T' in a bold, sans-serif font. A thick, curved line arches over the 'N' and 'T', resembling a stylized road or a signal wave.
