****IMPORTANT NOTICE REGARDING YOUR LIFELINE SERVICE****

Dear Budget Mobile Customer:

Please be advised that Budget Mobile is seeking to relinquish its authority to provide Lifeline services in South Dakota. If granted by the South Dakota PUC, Budget Mobile will no longer provide Lifeline service in South Dakota.

If you are an existing customer with Budget Mobile, you will be required to seek Lifeline service from another authorized carrier in South Dakota. If you do not transfer your existing Lifeline wireless service by June 5, 2017 from Budget to another Lifeline provider, you risk a loss of Lifeline service.

In an effort to help with this transition of service, you may access the South Dakota Public Utilities Commission website at <http://puc.sd.gov/lifeline/> for links and information regarding Lifeline in South Dakota. In addition, you may access the Universal Service Administrative Company's (USAC) webpage at <http://www.lifelinesupport.org/ls/companies/companies.aspx> to see a list of Lifeline providers in South Dakota., or call USAC at 1-888-641-8722 and press 1 for additional assistance. These resources will help you determine which Lifeline provider is best for you.

Budget Mobile would like to take this opportunity to express our gratitude for the many years of being able to provide wireless phone services. If you have any questions or concerns regarding the change to your wireless account, you can call Budget Mobile at 1-888-777-4007 and speak to a Customer Service Representative. We will be happy to answer any questions you may have.

Sincerely,
