Dear Janelle,

Northeast Nebraska Telephone Company is sending this letter as the required annual certification regarding services provided to The Omaha Nation. Per FCC 54.313, we are writing to ensure that the following are true:

- 1) NNTC exchange boundaries serve all rural customers in The Omaha Nation today. Please contact NNTC's General Manager at 402-632-4321 if there is ever any development in our exchange boundary that The Omaha Nation believes needs additional telecommunications services.
- 2) NNTC has invested in an all fiber optic network in this area to prepare for future bandwidth needs.
- 3) NNTC has no intention of marketing any of its products in a culturally insensitive manner. If The Omaha Nation feels that any marketing materials are offensive or insensitive, please contact Angie Urwiler at NNTC, at 402-632-4321.
- 4) Prior to any construction in The Omaha Nation right of way, NNTC or its representative engineers will make a good faith effort to contact Omaha Nation authorities for approval before proceeding.
- 5) NNTC believes it is in compliance with all known Omaha Nation licensing requirements.

With all of these items, if the Omaha Nation would like any clarification or has any suggestions, NNTC would welcome discussing it further.

Please feel free to contact senior management at the address listed below:
