4.3. PVU FACTOR UPDATES

The Customer may update the PVU factors quarterly. The Customer shall submit such updates no later than the 15th day of January, April, July and October of each year. Revised PVU factors must be based on data for the prior three months ending the last day of December, March, June and September respectively. The revised PVU factors will be used for future billing and will be effective on the bill date of each month and will be used for subsequent monthly billing until superseded by a new PVU factor. No prorating or back billing will be done based on the updated PVU factors.

If the initial PVU factor is not available and/or cannot be implemented in Company's billing systems by May 30, 2012, the Company will adjust the Customer's initial PVU to zero retroactively to January 1, 2012.
