

Lifeline and **Toll Limitation Service support** provide discounts to eligible low-income consumers to help them establish and maintain telephone or broadband service. (**Note:** Telecommunications carriers cannot charge a Lifeline customer federal USF fees on the local service portion of their telephone bill.)

What type of discount is available?

Lifeline assistance lowers the cost of basic, monthly local telephone or broadband service. Eligible consumers can receive up to \$9.25 per month in discounts. Eligible residents of Indian reservations or tribal lands can receive up to an additional \$25.00.

Toll Limitation Service (TLS) support allows eligible consumers who wish to avoid incurring large long distance fees to choose toll blocking or toll control at no cost.

How do I know whether I am eligible?

Eligibility for Lifeline, Link Up, and TLS support *varies by state*. Individuals who reside in states that have their own discount programs qualify for federal Lifeline, Link Up, and TLS support if they meet the eligibility criteria established by their state. In states that do not provide state support, an individual is eligible if he or she participates in one of the following programs:

- Federal Public Housing Assistance or Section 8
- Medicaid
- Supplemental Nutrition Assistance Program (SNAP)
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- Veteran's Pension or Survivor's Pension
- Income-Based Eligibility
- Additional Eligibility Programs for Tribal Lands.

One Lifeline service per household.
