Address \_\_\_\_\_  
Residential Address (may not be PO Box) Apartment/Unit #

Birth Date (mm/dd/yyyy) \_\_\_\_\_ Last 4 digits of Social Security # \_\_\_\_\_

Existing Phone Number \_\_\_\_\_ Head of Household Name \_\_\_\_\_

Lifeline is a federal government assistance benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment, or being barred from the program. Only one Lifeline service is available per household. A household is defined, for the purposes of the Lifeline program, as any individual or group of individuals who live together at the same address as one economic unit. An "economic unit" consists of all adult individuals contributing to and sharing in the income and expenses of a household. A household may include related and unrelated persons. A household is not permitted to receive Lifeline benefits from multiple providers. Violation of the one-per-household limitation constitutes a violation of the FCC's rules and will result in de-enrollment from the program and, potentially, prosecution by the U.S. government. Lifeline is a non-transferable benefit and you may not transfer your benefit to any other person.

### **Select Type of applicable Lifeline Service (office staff may update as necessary)**

- Voice/Cell  Voice/Landline  Broadband (meets minimum standard)  
 Bundle (both Voice and Broadband meet minimum standard)

**Note:** Customers receiving Lifeline assistance are required to remain with their service provider for a minimum period before they may transfer the benefit to another provider -- a 60-day "port freeze" for voice services and a 12 month "port freeze" for broadband services.

### **Lifeline Discount Benefit Transfer**

If you are currently receiving Lifeline from another provider and you wish to transfer your Lifeline discount under this application, you must initial the following statement:

\_\_\_\_\_ My current Lifeline service is not subject to a port freeze and I authorize NVC to transfer any pre-existing discount with a different provider to my NVC account, subject to all terms and conditions described in this application, understanding that only one Lifeline supported service is available per household.

### **Eligibility**

Please identify all programs you, a dependent or another household member are currently enrolled in or if your household would like to qualify based on income based eligibility:

- Medicaid  Supplemental Security Income (SSI)  Federal Public Housing Assistance  
 SNAP  Veteran's Pension or Survivor's Pensions

If you do not participate in one or more of the programs listed, you may qualify for Lifeline if your household income does not exceed 135% of the Federal Poverty Guidelines (FPG). See table on the next page:

**2017 Federal Poverty Guidelines – 135%**

Household Size		Household Size	
1	\$16,281	5	\$38,853
2	\$21,924	6	\$44,496
3	\$27,567	7	\$50,139
4	\$33,210	8	\$55,782

**Note: Proof of program participation or income will be required to qualify.** Examples include a copy of your benefit ID card, eligibility letter from the authorizing agent or the prior year's statement of benefits. Sources of income include prior year's tax return, three months of paychecks from all employers or benefit statements from retirement/pension.

**Please read the following statements, initial by each certification, and sign below.**

\_\_\_\_\_ I understand that my household can only receive one Lifeline service and, to the best of my knowledge, my household is not already receiving a Lifeline service;

\_\_\_\_\_ I certify that the individual named on the documentation provided, demonstrating program-based eligibility, if not me, is part of my household;

\_\_\_\_\_ I understand that Lifeline is a non-transferable benefit and that I may not transfer it to any other person;

\_\_\_\_\_ I certify that if I move to a new address, I will provide that new address to NVC within 30 days;

\_\_\_\_\_ I certify that I will notify NVC within 30 days if, for any reason, I no longer satisfy the criteria for receiving Lifeline including, as relevant, if I no longer meet the income-based or program-based criteria for receiving Lifeline support, if I am receiving more than one Lifeline benefit, or if another member of my household is receiving a Lifeline benefit;

\_\_\_\_\_ I acknowledge that I may be required to re-certify my continued eligibility for Lifeline at any time, and my failure to re-certify as to my continued eligibility will result in de-enrollment and the termination of my Lifeline benefits pursuant to 47 C.F.R. Section 54.405(e)(4);

\_\_\_\_\_ I understand that information from this application will be given to USAC and/or its agents for purpose of verifying that my household does not receive more than one benefit and that USAC may require additional information in order to verify my eligibility;

## **Consent to Provide Lifeline Subscriber Information to the National Lifeline Accountability Database (NLAD) – NVC**

The Federal Communications Commission has established the National Lifeline Accountability Database (NLAD) to detect and prevent consumers from receiving more than one discounted telecommunications service under the federal Lifeline program.

Under federal law, NVC is required to check this database prior to signing up Lifeline subscribers and is also required to provide the following information to the federal database's administrator:

- The Lifeline subscriber's full name;
- The Lifeline subscriber's full residential address;
- The Lifeline subscriber's date of birth;
- The last four digits of the Lifeline subscriber's social security number;
- The telephone number associated with the Lifeline service;
- The date on which the Lifeline service was initiated;
- The date on which the Lifeline service was terminated (if applicable);
- The amount of Lifeline service support being sought for the subscriber; and
- The means through which the subscriber qualified for Lifeline service (income or program-based, Medicaid, SNAP, etc).

The above information related to your Lifeline service is being provided by NVC to the National Lifeline Accountability Database to verify that you, as a Lifeline applicant and/or subscriber, are not receiving more than one Lifeline benefit, and to otherwise ensure proper administration of the Lifeline program.

I, the Lifeline applicant/subscriber, acknowledge that NVC will transmit to the administrator of the federal National Lifeline Accountability Database the above-referenced information about my Lifeline account and service for inclusion into the database, and hereby consent to transmission of the information for purposes allowed by law relating to administration of the Lifeline program.

I further understand that a refusal or failure to provide this consent to release my Lifeline account and service information to the administrator for inclusion in the federal National Lifeline Accountability Database will result in a denial of or de-enrollment from Lifeline service.

Reporting Period January 1 – December 31, 2016

### 47 CFR 54.314 – RBE Public Service Obligations

Pursuant to § 54.314 for High-cost Recipients, Carrier hereby certifies that it is in compliance with the Commission's latency or alternative service quality requirement and offers broadband to identified locations meeting the requisite public interest obligations, including speed, latency, usage capacity, and rates that are reasonably comparable to rates in urban areas. Carrier also certifies that all federal high-cost support provided to Carrier will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.

Carrier uses 4G LTE technology to offer voice and broadband service of at least 10Mbps downstream and 1Mbps upstream to residential and business locations. Carrier offers voice and broadband service offerings include voice-only service for \$16.00 per month and a 25Mbps downstream / 3Mbps upstream broadband-only offering for \$43.95 per month with unlimited usage and < 100 millisecond latency. The bundled rate for the same voice and broadband offering is \$59.95. The planned Lifeline offering will be a \$9.25 per month discount for a net voice price of \$6.75 per month. There is not a discounted broadband plan for low-income consumers. Qualifying Lifeline consumers are permitted to apply the Lifeline discount to bundled voice and broadband services.

I verify that the foregoing is true and correct. Executed on June 8, 2017.
