FCC Form 481. Line 610: Certification Regarding Ability to Function in Emergency Situations

47 CFR §54.313(a)(6) requires an ETC to certify that it is able to function in emergency situation as set forth in 47 CFR §54.202 (a)(2).

Jefferson Telephone Company LLC certifies it has complied with, and will continue to comply with applicable requirements regarding its ability to remain functional in an emergency situation as set forth in 47 CFR §54.202 (a)(2) for its continuing provision of voice and data services.

The company also complies with requirements for ETCs set forth in the South Dakota Administrative Rules overseen by the SD Public Utilities Commission, in required chapters and subchapters of Article 20:10. In particular, it is in compliance with § 20:10:32:43.03 in which it has demonstrated its ability to remain functional in emergency situations. "An applicant requesting designation as an eligible telecommunications carrier shall demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged transport facilities, and is capable of managing traffic spikes resulting from emergency situations."

Jefferson Telephone Company LLC certifies that it has complied with these requirements and will continue to comply with these requirements.

Designated employees are informed as to procedures to be followed in the event of an emergency in order to prevent or mitigate interruption or impairment of telecommunications and data services, including rerouting of traffic around damaged facilities and the deployment of emergency power.

FCC Form 481, Line 1010: Voice Services Rate Comparability

The company certifies the pricing of voice services is no more than two standard deviations above the applicable national average urban rate for voice service, as specified in the most recent public notice issued by the Wireline Competition Bureau and Wireless Telecommunications Bureau.

The company's pricing of fixed voice service, reported on line 703 of this filing, is below the current reasonable comparability benchmark for voice service (\$49.51), as published by the Wireline Competition Bureau, in FCC DA 17-167, released February 14, 2017.

FCC Form 481, Line 1030: Broadband Comparability Compliance

The company certifies it offers a service meeting the Commission's broadband public interest obligations, that is priced no higher than the applicable benchmark announced annually in a public notice issued by the Wireline Competition Bureau (FCC DA 17-167, released February 14, 2017), or is no higher than the non-promotional price charged for a comparable fixed wireline service in urban areas in the states or U.S. Territories where the eligible telecommunications carrier receives support.

FCC Form 481, Line 3010b: Certification of Public Interest Obligations

The Company certifies that it is progressing to provide upon a reasonable request, broadband services at actual speeds of 10Mbps downstream/1Mbps upstream, with latency suitable for real-time applications including VoIP and usage capacity that is reasonably comparable to reasonably comparable offerings in urban areas, and that requests for such service are met within a reasonable amount of time.
