In accordance with 47 C.F.R. § 54.314, federal universal service support provided to carriers pursuant to 47 C.F.R. §§ 54.301, 54.305, 54.307, 54.312, 54.800 through 54.809 and/or 54.901 through 54.904 and/or Part 36, Subpart F (local switching support, interstate access support, interstate common line support, support provided to competitive eligible telecommunications carriers, Connect America Fund support, high-cost loop support, safety net additive support and safety valve support) will be made available only if the State Commission files the requisite annual certification with the FCC and USAC.

As part of its annual request to the Commission for certification, CenturyLink provides the following information:

1. CenturyLink is a local exchange carrier that has previously been designated by this Commission as an ETC. CenturyLink provides local exchange telephone services, including all of the essential services that are included in the federal definition of universal service, within its local exchange service areas in South Dakota.

2. As required by 47 C.F.R. §§ 54.313 and 54.422, CenturyLink anticipates to file FCC Form 481 on or before July 16, 2018 (subject to PRA approval) with the FCC. A copy of the Form 481 filing will be provided to the Commission soon thereafter.

3. Certifications as required under the provisions of ARSD §§ 20:10:32:43.01 (demonstration of commitment to provide service), 20:10:32:54(6) (complying with service quality standards and consumer protection rules) and 20:10:32:54(7) (ability to function in emergency situations) are included in Attachment A, Affidavit of Jerry M. Allen.

4. In response to the requirements of §§ 20:10:32:54(1) and 20:10:32:54(2), see Confidential Attachments B, C and D.

5. Confidential Attachments E and F provide the certifications associated with §§ 20:10:32:54(3) (detailed information on any outages), 20:10:32:54(4) (number of unfilled requests for service) and 20:10:32:54(5) (number of complaints).

6. Sections 20:10:32:54(8) and 20:10:32:54(9) were waived in their entirety as part of Docket TC13-027.

7. The Lifeline and Link-up advertising requirements in § 20:10:32:55 were provided to customers in July of 2017 through a bill insert in CenturyLink's South Dakota consumer bills, which provided customers with information on Lifeline and Link Up Telephone Assistance Programs in South Dakota. 8. Based on all of the foregoing information, including the information provided on Attachments A-H, CenturyLink requests that this Commission issue an appropriate certification to the FCC and USAC indicating that CenturyLink is in compliance with 47 U.S.C. § 254(e) and should receive all federal universal service support determined for distribution to CenturyLink in 2019. In order to ensure that this certification is issued to the FCC prior to October 1, 2018, CenturyLink would further ask the Commission to expedite the process that is initiated based on this filing.
