RE: Peerless Network of South Dakota, LLC – Initial Switched Access Tariff

Dear Ms. Van Gerpen:

On December 20, 2017, the South Dakota Public Utilities Commission granted Peerless Network of South Dakota, LLC (“Peerless”) a certificate of public convenience and necessity to provide local exchange and interexchange telecommunications services in the State (Docket TC 17-065). On January 16, 2018, Peerless submitted its initial switched access tariff for Commission review and approval. Based on discussions with Commission Staff, certain revisions were made to that version of the tariff. Peerless is hereby submitting a revised version of its initial switched access tariff that incorporates the revisions suggested by Commission Staff. This tariff has a requested effective date of March 2, 2018 (30 days after the filed date).

Any questions or correspondence about this tariff should be directed to me at the contact information below. Thank you for your assistance in this matter.
