RE: Peerless Network of South Dakota, LLC – Initial Switched Access Tariff (Revisions)

Dear Ms. Van Gerpen:

On December 20, 2017, the South Dakota Public Utilities Commission granted Peerless Network of South Dakota, LLC (“Peerless”) a certificate of public convenience and necessity to provide local exchange and interexchange telecommunications services in the State (Docket TC 17-065). On January 16, 2018, Peerless submitted its initial switched access tariff for Commission review and approval. Revisions to that initial tariff were filed on January 31, 2018 and February 8, 2018. After further discussions with Staff, one additional revision was made to the tariff. Peerless is hereby submitting a third revised version of its initial switched access tariff that incorporates all revisions suggested by Commission Staff. This tariff has a requested effective date of March 2, 2018.

Any questions or correspondence about this tariff should be directed to me at the contact information below. Thank you for your assistance in this matter.
