Pierre, South Dakota 57501

RE: Annual Reporting Requirements for Section 54.304 (391666)

Ms. Van Gerpen:

The Federal Communications Commission's (FCC) November 18, 2011 USF/ICC Transformation Order, FCC 11-161 (WC Docket No. 10-90) requires carriers seeking to obtain recovery through the federal mechanisms established in the Order to make certain certifications to the FCC and to state commissions regarding their eligibility for, and their compliance with the rules applicable to, such recovery.

Specifically, 47 C.F.R. §51.917 (d) (vii) requires Rate of Return Carriers to certify annually to the FCC and to relevant state commissions that the carrier is not seeking duplicative recovery in the state jurisdiction for any Eligible Recovery subject to the federal recovery mechanisms. In compliance with that requirement, Jefferson Telephone Company, LLC a/k/a Long Lines hereby states that it is not seeking duplicative recovery in the state jurisdiction for any Eligible Recovery subject to the recovery mechanism described in §51.917.

The FCC's November 18, 2011 USF/ICC Transformation Order, FCC 11-161 (WC Docket No. 10-90) also requires rate of return carriers seeking CAF ICC support to file data establishing the amount of the rate of return carrier's eligible CAF ICC funding per 47 C.F.R. §54.304 (d) (1).

If you have any further questions, please contact Jason Graves at 515-440-9162 or jgraves@bkd.com or Bryan Dilks at 515-221-4629 or wdilks@BKD.com.

Sincerely,

/s/ Paul Bergmann
