RE: Annual Reporting Requirements for High-Cost Recipients Pursuant to 47 C.F.R. §51.917 (d)(vii),(e),(f), 47 C.F.R. §54.304 (d)(1), and Annual Reporting Requirements §54.313 (i)

The Federal Communications Commission's (FCC) November 18, 2011 USF/ICC Transformation Order, FCC 11-161 (WC Docket No. 10-90) requires carriers seeking recovery through the federal mechanisms established in the Order to make certain certifications to the FCC and to state commissions regarding their eligibility for, and their compliance with the rules applicable to such recovery.

Specifically, 47 C.F.R. §51.917(d)(vii), (e), (f) requires Rate of Return Carriers to certify annually to the FCC and to the relevant state commissions that the carrier is not seeking duplicative recovery in the state jurisdiction of any Eligible Recovery subject to the recovery mechanism. In compliance with that requirement, RC Technologies hereby states that it is not seeking duplicative recovery in the state jurisdiction for any Eligible Recovery, and as required by 47 C.F.R. §51.917(e)&(f) that has complied with all eligibility requirements and is eligible to receive the projected support requested. Included is a copy of the Officer Certifications filed with the FCC as part of the National Exchange Carrier Association (NECA) compliance filing.

The FCC's November 18, 2011 USF/ICC Transformation Order, FCC 11-161 (WC Docket No. 10-90) also requires rate of return carriers seeking CAF ICC support to file data establishing the amount of the rate of return carrier's eligible CAF ICC funding per 47 C.F.R. §54.304 (d) (1). Included in this filing is the projected Access Recovery Support and Connect America Fund Support as filed with the FCC under this Order. Included in this filing is the Tariff Review Plan (TRP) data governing the local switched access rates. Lastly, a copy of RC Technologies' Local Rate Floor Data Collection certification pursuant to 47 C.F.R. 54.313 (i) is included with this filing. As of June 1, 2019, RC Technologies has no monthly residential access line rates for which the sum of the monthly rate and state regulated charges is below \$18. Therefore, there is no local rate floor data to report.

We are submitting an electronic confidential and redacted copy of this filing.
