they have no further responsibility if you continue to make substantially the same allegation.

You cannot be charged for a billing review.

The amount still due on your billing account needs to be paid in full. Your local company, or the long-distance company providing the pay-per-call service, may take action to collect the amount outstanding if you continue to withhold payment once the billing review is done.

Failure to pay the amount outstanding may subject you to collection action, including being reported to a collection agency or credit bureau. If you continue to dispute any portion of your billing error claim, your telephone company will include it and identify the disputed amount to the collection agency or credit bureau. Your company will attempt to inform you if your account is turned over for collection and to what agency it will be sent. If the dispute is resolved, that fact will be reported to all who received notice that the account was delinquent.

If your billing entity, or the long-distance company involved, fail to follow the billing and collection procedures prescribed by Section 308.7 of the Federal Trade Commission rule implementing the TDDRA, they are obligated to forfeit any disputed amount, up to \$50 per transaction.

DISCLOSURE UNDER FCC RULE 64.1509(b)

The FCC requires the following disclosures to telephone subscribers:

Your local exchange and long-distance service cannot be disconnected or interrupted as a result of your failure to pay charges for interstate pay-per-call services, charges for interstate information services provided pursuant to a presubscription or compatible arrangement, or charges you have disputed for interstate tariffed collect information services.

You can obtain blocking of access to 900# services where it is technically feasible, at no charge, on a one-time basis.

HOW TO HANDLE ANNOYANCE CALLS

It is against the law in the state of South Dakota to make an obscene, harassing or threatening telephone call. When you receive such a call, follow these suggestions:

1. When answering your telephone, say "hello" twice. If no answer, HANG UP.
2. Do not give information until you are absolutely certain you know who is speaking.
3. Instruct children not to give any information to strangers over the phone.
4. Hang up when you hear something off-color or obscene. Never reveal you are alone.
5. When annoyance calls persist, contact your local law enforcement agency.
6. Calls of a threatening nature should be reported to the local law enforcement agency immediately.
7. Customer-Originated Trace is another available service.

CUSTOMER ORIGINATED TRACE

When you are serious about prosecuting an offender, Call Trace lets you automatically trace an obscene or threatening phone call and delivers the number to local law enforcement. If the caller has violated South Dakota Codified Law 49-31-31 and you decide to prosecute, the police may use the trace as evidence.

Note: Every time you complete a call trace, you will be charged, whether or not you follow up with authorities. The traced number will be delivered ONLY to law enforcement.

1. Automatically available on every line at no charge, unless you use it.
2. If you receive a call that you would like to trace:
 - Hang up.
 - Dial *57 (Rotary 1157).
 - You will hear an announcement: You have accessed the Call Trace Feature. Cost for a successful trace is \$4.00.
 - To discontinue the trace, hang up.
3. To continue the trace, dial 1. You will hear an announcement telling you that your trace has been successful and to call local law enforcement for further assistance.

UNLAWFUL WIRETAPPING MAY BE SUBJECT TO PROSECUTION

Under federal and state laws, it is a crime for any person to wiretap or otherwise intercept a telephone call without the consent of one or both parties actually participating in the call. When proceeding under court orders, authorized law enforcement officers can take part in interception without the consent of either party. The penalty for illegal wiretapping is imprisonment and/or a fine.

USE OF TELEPHONE FOR DEBT COLLECTION PURPOSES

The Federal Communications Commission regulates the use of interstate telephone service for the collection of claimed debts. Disallowed practices include calling at odd hours of the day or night; repeated calls; calls to friends, neighbors, relatives, employers, and children; calls making a variety of threats; calls asserting falsely that credit ratings will be hurt; calls falsely stating that legal process is about to be served; calls demanding payments for amounts not owed; calls to places of employment, and calls misrepresenting the terms and conditions of existing or proposed contracts. Tariffs of the telephone companies forbid use of the telephone "for a call or calls" expected to frighten, abuse, torment, or harass another, or for calls that interfere unreasonably with the use of the service by one or more other customers, or for calls for "unlawful purpose". Upon violation of any of these conditions, the telephone company can, by written notice, discontinue service immediately. These tariff regulations are filed with this Commission pursuant to Section 203 of the Communications Act, 47 U.S.C. 203, and are binding on the telephone company and customer alike. (Rules & regulations referenced in this directory are subject to change. For the most current information, contact the FCC at 1-800-CALL-FCC or <http://www.fcc.gov>; OR SD PUC Office of Consumer Affairs, 1-800-332-1782 or <http://www.state.sd.us/puc>)

"Do Not Call" SIGN-UP

South Dakota consumers may sign up to stop most telemarketing calls. The sign-up is free and consumers have two ways to register their home telephone and personal cell phone numbers:

1. Call 1-888-382-1222 from the home or personal cell phone you wish to be registered; or
2. Register via Internet at www.donotcall.gov for wireline and/or wireless phones.

Consumers can register just once to be covered by both the national and state Do Not Call lists. South Dakotans can register complaints with the PUC at 1-800-332-1782.
