Re: Amendment - Section 63.71 Application of CenturyLink For Authority Pursuant to Section 214 of the Communications Act of 1934, As Amended, to Discontinue The Provision of Certain Packet-Based and Wavelength Business Services as Common Carriage Services and to Instead Offer Those Services as Private Carriage Services

Dear Ms. Dortch:

By this letter, CenturyLink amends its application, filed in the above-referenced docket on August 17, 2020, seeking to discontinue the provision of certain packet-based and wavelength business services as common carriage services and to instead offer those services as private carriage services (Application).

Shortly after filing the Application, CenturyLink discovered that it had inadvertently failed to notify two customers that subscribe to one or more of the services covered by the Application. On August 19, 2020, CenturyLink notified these customers via the attached customer notice. CenturyLink amends the Application to include this additional customer notice.

Please contact me should you have any questions.

Sincerely,

/s/ Craig J. Brown
