II. CUSTOMER IMPACT AND NOTIFICATION

X2Comm has entered into an agreement with another long-distance carrier to transfer its customer base nationwide, with the exception of a few states, including South Dakota, where the purchasing carrier does not have a Certificate of Authority. For these states, X2Comm has filed an Application for Discontinuance with the FCC.

Effective September 1, 2022, X2Comm will cease to exist as a provider of resold long distance service offerings in South Dakota and therefore wishes to cancel its South Dakota Certificate of Authority.

This proposed discontinuance will affect only a few long distance-only customers currently served by the Company in South Dakota. A Notice has been sent to these customers on May 15, 2022, ensuring that they receive enough notice and time to migrate their services to other providers.

A Copy of this Notice is provided as **Exhibit A**. Any remaining customers will receive a second notice followed up by a final notice fifteen (15) days' notice prior to discontinuance.

X2Comm has dedicated customer representatives who are available to assist customers with the migration. Customers may call 908-806-7406 or in writing at 270 South Main Street, Suite C, Flemington, NJ 08822.

III. CANCELLATION OF CERTIFICATE

X2Comm, Inc. d/b/a DC Communications respectfully requests that the Commission cancel its Certificate of Authority to Provide Resold Interexchange Telecommunications Services within the State of South Dakota, effective September 1, 2022.
