

Docket Number: TC23-022
Subject Matter: Staff's Data Request 1
Request to: Fort Randall Telephone Company
Request from: South Dakota Public Utilities Commission Staff
Date of Request: 7/20/23
Responses Due: 8/3/23

1.1. Provide a map outlining the areas and exchanges that have been built out with Fiber. If available, please provide the available download/upload speeds available in each of the areas and exchanges throughout the service territory.

Attached are maps of the Wagner-Lake Andes, Keystone-Hermosa, Centerville-Viborg and Tyndall-Tabor Exchanges, showing technologies available in each of the areas and exchanges and download/upload speeds available.
