To Whom it may concern,

Our company is no longer providing telecommunications services and are in the process of closing all our tax filing accounts related to this.

We have been filing returns in the state of South Dakota to stay in compliance even though we have had no activity. We would like to close this account as we are no longer providing telecommunication services.

Orbic North America, LLC has stopped all telecommunications business as of 09/30/2022 in the state of South Dakota.

Thank you for your help with this.

Best Regards,
