**Re: Metropolitan Telecommunications of South Dakota, Inc. d/b/a MetTel
South Dakota Tariff No. 3**

Dear Ms. Gerpen,

Enclosed please find for filing revisions to Metropolitan Telecommunications of South Dakota, Inc.'s Competitive Access Provider Services Tariff Number 3. The specific pages modified are:

Check Sheet - 6 th Revised, Page 2	Section 3 - 2 nd Revised, Page 60
Section 3 - 5 th Revised, Page 58	Section 3 - 1 st Revised, Page 61
Section 3 - 5 th Revised, Page 59	

Effective July 1, 2023, MetTel ceased billing for Switched Access services. Rate reductions, mandated by the FCC over the last number of years, have reduced switched access rates to a level where it is no longer economical to continue billing for these services. Calls originating from and terminating to MetTel end users will continue to be completed normally by the underlying ILEC from whom MetTel purchases end user lines.

Following discussion with PUC Staff, this filing revises all switched access rates to zero. MetTel will maintain its Access Services Tariff No. 3 on file with the Commission.

If you have any questions, or if I may provide you with any additional information, please do not hesitate to contact me. Thank you.

Respectfully submitted,

/s/ John Rossi
