**Re: *Sprint Spectrum, LLC***

Dear Ms. Van Gerpen:

Sprint Spectrum, LLC (“Sprint Spectrum”) gives notice that it permanently ceased providing cellular services to South Dakota customers and conducting business in the state as of December 31, 2023.

Sprint Spectrum is currently registered with the South Dakota Public Utilities Commission (SDPUC) as a wireless provider. Its telecommunications customers were migrated to T-Mobile US, Inc. affiliates during 2023 in accordance with the Sprint Corporation-T-Mobile US, Inc. plan of merger. For the period commencing January 1, 2024, Sprint Spectrum has had no South Dakota customers and no revenues derived from intra-South Dakota business. Sprint Spectrum has filed all required reports with the SDPUC and has made all required payments.

Please remove Sprint Spectrum from the SDPUC registry of wireless providers operating in South Dakota and confirm in writing that, with the filing of this notice, Sprint Spectrum is relieved of all reporting obligations that it previously had as a wireless provider operating in South Dakota.

Respectfully submitted,

/s/ William A. Haas
