**Re: Docket No. TC98-147  
FiberComm, L.C. – Cancellation of Certificate of Authority**

Dear Director Van Gerpen:

By this letter, FiberComm, L.C. d/b/a ImOn ("FiberComm") requests cancellation of its Certificate of Authority that was granted in the above-referenced proceeding on March 30, 1999. FiberComm also requests that any tariffs it has on file with the Commission be cancelled.

As a result of a *pro forma* assignment of assets from FiberComm to its direct parent ImOn Communications, LLC, of which the Commission was provided notice on February 11, 2025, FiberComm no longer provides telecommunications services in South Dakota and no longer has any customers as of April 1, 2025. Therefore, FiberComm no longer requires the Certificate of Authority and requests that its cancellation be effective immediately.

We would appreciate acknowledgment of receipt and acceptance of this filing. Should you have any questions concerning this submission, please do not hesitate to contact the undersigned.

Respectfully submitted,

/s/ Danielle Burt
