RE: Filing Obligations: Dish Wireless/ Boost SubscriberCO LLC
Account: 35-2576388 / 39-2604428

To whomever it may concern:

Please be advised of a structural transition effective January 1, 2026: Boost SubscriberCO LLC now reports all revenue and taxes previously reported by Dish Wireless, LLC. Please note that these are separate corporate entities, not "Doing Business As" (DBA) designations for the same company.

Because all revenue and taxes were reported under Dish Wireless LLC for the entire 2025 calendar year, our current plan for the upcoming cycle is as follows:

- Dish Wireless LLC: Will submit the SD Gross Receipts Tax Fund Assessment covering the 2025 period. Please note that this will serve as the final reporting for this entity as the company no longer has telecommunications/wireless revenues as of January 1, 2026.
- Boost SubscriberCO LLC: Will begin its filing in 2027 (covering the 2026 period), as it had no reportable activity for the 2025 period.

Please review the details above and let me know if any corrections are needed or if there are further requirements to finalize the closure of Dish Wireless LLC.

Sincerely,

Megan Geesaman
Tax Accountant
