

Electric Orders - Issued 1997

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF SOUTH DAKOTA

IN THE MATTER OF THE FILING BY E ELECTRIC COOPERATIVE, INC. AND THE BLACK HILLS POWER AND LIGHT COMPANY FOR APPROVAL OF A TRADE AGREEMENT)))	ORDER GRANTING APPROVAL OF THE TRADE AGREEMENT EL97-004
--------------------------------------------------------------------------------------------------------------------------------------------------------------	-------------	--------------------------------------------------------------------------------------

On February 11, 1997, the Public Utilities Commission (Commission) received a joint filing by e Electric Cooperative, Inc. (BEC) and Black Hills Power and Light Company (BHP&L) for approval of a territory trade. According to the filing, the Trade Agreement "is in response to a request from Norris Rovere to allow BEC to be the sole electric provider to the land he owns north of Sturgis. This was easily accomplished since the property owner just west of Mr. Rovere agreed to the concept of the trade, which then allowed both utilities to honor the desired request." The filing included the written approval of the affected landowners.

The Trade Agreement listed the property at issue as follows:

1. e Electric Cooperative, Inc. agrees to trade to the territory of Black Hills Power and Light Company:
 - a. e Electric portion of the NE 1/4, Section 22, T6N, R5E. See Exhibit E.
2. Black Hills Power and Light Company agrees to trade to the territory of e Electric Cooperative, Inc.:
 - a. Black Hills Power and Light portion of the NW 1/4, Section 23, T6N, R5E. See Exhibit E.

On March 4, 1997, a regularly scheduled meeting, the Commission considered the Trade Agreement. Commission Staff recommended granting approval of the Trade Agreement.

The Commission finds that it has jurisdiction over this matter pursuant to SDCL 49- 34A, specifically, SDCL 49-34A-4, 49-34A-42, and 49-34A-55. Further, the Commission finds that this agreement will promote the efficient use and development of the electric systems of the contracting electric utilities. The Commission therefore concludes that the Trade Agreement is in the public interest and tha hall be approved. The approval of this Trade Agreement is separate and distinct from the approval sought by the parties in docket EL96-021. It is therefore

ORDERED that the request for approval of the Trade Agreement as described herein is hereby granted and is effective for service rendered on and after the date of this order.

Dated at Pierre, South Dakota, this 11th day of March, 1997.
