**HP14-001**

On September 15, 2014, TransCanada Keystone Pipeline, LP (TransCanada or Keystone) filed with the South Dakota Public Utilities Commission (Commission) a Petition for Order Accepting Certification under SDCL §49-41B-27 seeking an order accepting certification of the energy facility permit issued in Docket HP09-001 for construction of the Keystone XL Pipeline. On June 29, 2010, the Commission issued an Amended Final Decision and Order; Notice of Entry granting a permit to TransCanada for construction of the Keystone XL Pipeline. TransCanada now seeks an order accepting certification pursuant to SDCL 49-41B-27. The Commission has jurisdiction over this matter pursuant to SDCL Chapters 1-26 and 49-41B, specifically 49-41B-27, and ARSD Chapters 20:10:22 and 20:10:01, specifically 20:10:22.

On September 18, 2014, the Commission electronically transmitted notice of the filing and the intervention deadline of October 15, 2014, to interested individuals and entities on the Commission's PUC Weekly Filings electronic listserv. Applications for Party Status were received from forty-three persons, and on November 4, 2014, the Commission issued an Order Granting Intervention and Party Status to forty-two of the applicants. Three parties have since been granted withdrawal of party status. On December 17, 2014, the Commission issued an Order Granting Motion to Define Issues and Setting Procedural Schedule. On May 5, 2015, the Commission issued an Order Amending Procedural Schedule. On July 10, 2015, Keystone filed Keystone's Motion *in Limine* to Preclude Rebuttal Testimony of Jennifer Galindo and Wasté Win Young (Motion).

At its regularly scheduled meeting on July 21, 2015, the Commission considered the Motion. During oral arguments, Keystone clarified that the relief requested in the Motion was to exclude the rebuttal testimony of Jennifer Galindo and the direct testimony of Wasté Win Young. Finding the testimony at issue is beyond the Commission's jurisdiction and is not relevant to the proceeding, the Commission voted unanimously to grant the Motion. It is therefore

**ORDERED**, that Keystone's Motion *in Limine* to Preclude is granted precluding the rebuttal Testimony of Jennifer Galindo and direct testimony Wasté Win Young.

Dated at Pierre, South Dakota, this 22<sup>nd</sup> day of July, 2015.
