On November 9, 2016, the South Dakota Public Utilities Commission Staff (Staff) filed a petition with the South Dakota Public Utilities Commission (Commission) for a declaratory ruling to resolve the following issues: 1) Does the Commission have jurisdiction over any utility providing natural gas to farm tap customers taking natural gas from the transmission line owned and operated by Northern Natural Gas Company (Northern)? 2) If so, which entity, NorthWestern Corporation dba NorthWestern Energy (NorthWestern) or Northern, if either, is a public utility as defined by SDCL Chapter 49 with respect to these farm tap customers? 3) Are the farm taps in whole or in part subject to state jurisdiction for the purpose of pipeline safety pursuant to SDCL Chapter 49-34B?

Notice of the filing was issued November 10, 2016. Intervention was granted to Northern, Northwestern, and Montana-Dakota Utilities Company on November 23, 2016. A Notice of Hearing was issued on November 30, 2016. The hearing was held as scheduled on December 14, 2016.

On January 24, 2017, the Commission issued a Declaratory Ruling regarding Farm Taps. On February 17, 2017, Northern filed a Petition for Rehearing and a Motion for Judicial Notice. On February 23, 2017, NorthWestern filed a Petition for Reconsideration of Declaratory Ruling (Petition). On March 7, 2017, Commission Staff filed its Response to Motions for Rehearing and Reconsideration.
