<b>SPRINGS, SOUTH DAKOTA )</b>	<b>)</b>	<b>OC06-009</b>

On November 13, 2006, pursuant to SDCL 49-7A-17, the South Dakota One Call Board (Board) received a complaint filed by the City of Brandon, Brandon, South Dakota (Brandon), against Jeremy Scadden Construction, Valley Springs, South Dakota (Scadden). According to the complaint, Scadden failed to call South Dakota One Call for a locate ticket prior to excavating and leveling soil, clearing trees and brush for a new home and driveway at 213 Fairview Circle, Brandon, SD. The complaint alleges such action was a violation of SDCL 49-7A-5.

Pursuant to SDCL 49-7A-23 and 49-7A-24, a copy of the complaint was forwarded to Scadden by U.S. mail on November 16, 2006, advising him that he must file an answer in writing by December 13, 2006. Scadden filed an answer to this complaint on January 13, 2007. Pursuant to SDCL 49-7A-22, a five member panel (Panel) was appointed by Jerry Schroeder, Chairman of the Board, for the purpose of determining whether there was *probable cause to believe* there had been a violation of any statute or rule of the Board. The Panel met on January 18, 2007. Pursuant to SDCL 49-7A-25, based on the complaint filed by Brandon, the Panel determined by unanimous vote that there was sufficient evidence to believe Scadden was guilty of the violations of the statute as alleged in the complaint.

Pursuant to SDCL 49-7A-27, a copy of the Panel's recommendations was sent to the parties. The Board did not receive an acceptance or rejection of the Panel's recommendations from either Brandon or Scadden.

A hearing was held as scheduled on May 4, 2007, at 9:00 a.m., in the International East Conference Room, Holiday Inn City Centre, 100 West 8<sup>th</sup> Street, Sioux Falls, SD. This hearing was conducted along with OC06-007, 008 and 010. The City of Brandon was present and represented by counsel. Scadden was present and also represented by counsel. Brandon presented evidence through the testimony of Wayne Fletcher, Jimmie Fjerstad, and Rollie Hoeke. Scadden presented evidence through his own testimony. The issue at the hearing was whether Scadden failed to notify the one-call center before excavating in violation of SDCL 49-7A-5.

At the conclusion of the hearing, a motion was made by Bleau LaFave, a Board member present at the hearing. Mr. LaFave moved that based on the testimony and the evidence submitted Scadden did violate SDCL 49-7A-5 by commencing excavation at 213 Fairview Circle without providing advance notification to the South Dakota One Call System as required by statute. Rod Cundy, Board Member, provided a second to the motion. Chairman Jerry Schroeder called for discussion on the motion. There was no discussion and a vote was taken of all the members present. There was a unanimous vote by all the members of the Board present at the hearing in support of the motion. Those members present at the hearing for the vote included: Jerry Schroeder, Todd Chambers, Kevin Kouba, Bleau LaFave, Eugene Solseth, Doug Larson, Rod Cundy and Kurt Pfeifle.

Having considered the evidence of record and applicable law, the Board makes the following Findings of Fact, Conclusions of Law and Order.

## **FINDINGS OF FACT**

1. 2. SDCL 49-7A-5 provides in part that, "No excavator may begin any excavation without first notifying the one-call notification center of the proposed excavation..."
3. The Board finds that there is sufficient evidence to find that Scadden violated SDCL 49-7A-5 by failing to provide notice to the one-call notification center prior to excavating at 213 Fairview Circle, Brandon, SD.
4. The Board assess a penalty of one thousand dollars (\$1,000) with five hundred dollars (\$500) suspended on the following conditions: (i) Scadden fully complies with SDCL 49-7A-5 and ARSD 20:25 for twenty-four months; and (ii) Scadden fully complies with the resolution of the Complaint OC06-009 by making payment of the five hundred dollars (\$500) within thirty (30) days of the issuance of these Findings of Fact, Conclusions of Law and Final Order.
