On January 29, 1997, the Public Utilities Commission (Commission) received a filing by Brookings Telephone, City of Brookings (Brookings) to revise its franchise service territory map to reflect the new telephone service territory resulting from an annexation by the city of Brookings. The annexation described in Brookings City Resolution No. 2-97 consists of:

The Commission has jurisdiction in this matter pursuant to SDCL Chapter 49-31. No parties filed to intervene or comment by March 21, 1997. Upon review of the application to change the boundary to reflect areas annexed to the City of Brookings as described above, the Commission concludes that the proposed boundary change is in the public interest and should be approved. As the Commission's final decision in this matter, it is therefore

ORDERED that the proposed tariff revision reflecting the boundary change is hereby approved and is effective for telecommunications services rendered on and after April 1, 1997.
