

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE INVESTIGATION) ORDER OPENING DOCKET
REGARDING THE STATE'S)
TELECOMMUNICATIONS INFRASTRUCTURE) TC97-120

The 1997 South Dakota Legislature passed SDCL 49-31-60 through 49-31-68 which outline the legislative intent regarding the state's telecommunications infrastructure. These statutes are effective July 1, 1997. According to SDCL 49-31-60, "[i]t is the intent of the Legislature that South Dakota have a telecommunications infrastructure that meets the advanced communication needs of the state's individual citizens and its communities of interest, including our schools, medical facilities, businesses and all levels of government." The statutes further describe specific network requirements and deployment goals.

On June 24, 1997, at its regularly scheduled meeting, the South Dakota Public Utilities Commission (Commission) considered whether to open a docket to investigate the current status of South Dakota's telecommunications infrastructure and the telecommunications companies' plans to comply with the statutes. After hearing the comments of the South Dakota Independent Telephone Coalition, U S WEST Communications, Inc., the Bureau of Information and Telecommunications, and MCI Telecommunications Corporation, the Commission unanimously voted to open an investigative docket. The Commission has jurisdiction in this matter pursuant to SDCL Chapter 49-31 and the Telecommunications Act of 1996. It is therefore

ORDERED that a docket shall be opened to investigate the current status of South Dakota's telecommunications infrastructure and the telecommunications companies' plans to comply with the statutes.

Dated at Pierre, South Dakota, this 3rd day of July, 1997.
