ORDER GRANTING
CERTIFICATE OF
AUTHORITY

TC97-144

On August 15, 1997, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from USN Communications Long Distance, Inc. (Applicant).

Applicant proposed to offer MTS, out-WATS, in-WATS services, and calling card services. Applicant does not intend to offer operator services, 900 or 700 services. A proposed tariff was filed by Applicant. The Commission has classified long distance service as fully competitive.

On August 21, 1997, the Commission electronically transmitted notice of the filing and the intervention deadline of September 5, 1997, to interested individuals and entities. No petitions to intervene or comments were filed and at its regularly scheduled October 9, 1997, meeting, the Commission considered Applicant's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to the condition that Applicant not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission.

The Commission finds that it has jurisdiction over this matter pursuant to Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that Applicant has met the legal requirements established for the granting of a certificate of authority. Applicant has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. The Commission approves Applicant's application for a certificate of authority, subject to the condition that Applicant not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission. As the Commission's final decision in this matter, it is therefore

ORDERED, that Applicant's application for a certificate of authority is hereby granted, subject to the condition that Applicant not offer a prepaid calling card or require deposits or advance payments without prior approval of the Commission. It is

FURTHER ORDERED, that Applicant shall file informational copies of tariff changes with the Commission as the changes occur.

Dated at Pierre, South Dakota, this 17th day of October, 1997.
