OF THE STATE OF SOUTH DAKOTA**

<b>IN THE MATTER OF THE FILING BY CONSOLIDATED TELEPHONE COOPERATIVE AND ITS WHOLLY OWNED SUBSIDIARY, CONSOLIDATED TELCOM, INC., FORMERLY KNOWN AS CTC COMMUNICATIONS, INC. FOR APPROVAL OF PETITION FOR SUSPENSION AND MODIFICATION OF DIALING PARITY</b>	<b>) ) ) ) ) ) ) ) ) )</b>	<b>ORDER GRANTING PETITION FOR SUSPENSION AND MODIFICATION IN PART</b>  <b>TC99-042</b>
--	--	---

On April 20, 1999, Consolidated Telephone Cooperative and its Wholly Owned Subsidiary, Consolidated Telcom, Inc. formerly known as CTC Communications, Inc. filed for approval of their petition for suspension and modification of dialing parity. Consolidated Telephone Cooperative and Consolidated Telcom, Inc. each have fewer than 2% of the nation's subscriber lines installed in the aggregate. Pursuant to 47 U.S.C. ' 251(f)(2), Consolidated Telephone Cooperative and Consolidated Telcom, Inc. petitioned the Commission for a suspension and modification of the requirement for implementation of intraLATA dialing parity in its service areas until June 30, 2000. Consolidated Telephone Cooperative and Consolidated Telcom, Inc. stated that "[t]he grounds for the petition are that suspension and modification are: a) necessary to avoid imposing requirements that are unduly economically burdensome and infeasible, and b) consistent with the public interest, convenience and necessity. The compressed schedule mandated by the FCC's 1999 Order [CC Docket No. 96-98, Order adopted March 19 and released March 23, 1999, FCC 99-54] is burdensome and infeasible for small LECs to develop and administer plans for timely notification of their subscribers and interexchange carriers regarding subscribers' selection of intraLATA toll providers, and for small LECs to develop fully compensatory local exchange access rates to replace the current arrangement."

The Commission requested comments on Consolidated Telephone Cooperative and Consolidated Telcom, Inc.'s petition for suspension and modification. Commission Staff recommended denying the petition.

On June 4, 1999, Consolidated Telephone Cooperative and Consolidated Telcom, Inc. filed their petition for suspension and modification affidavit that they intended to file with the North Dakota Public Service Commission (NDPSC) for a June 15, 1999, hearing before the NDPSC. The companies requested that the Commission consider mirroring the outcome of the NDPSC hearing.

A June 22, 1999, meeting, the Commission considered whether to grant the petition. The Commission has jurisdiction over this matter pursuant to SDCL 49-31-80 and 49-31-81, ARSD 20:10:32:39, and the federal Telecommunications Act of 1996, specifically " 251 and 252. Consolidated Telephone Cooperative and Consolidated Telcom, Inc. did not appear at the meeting. Commission Staff informed the Commission that the NDPSC had to delay its hearing until July so the NDPSC had not ruled on the issue yet. The Commission voted unanimously to grant Consolidated Telephone Cooperative and Consolidated Telcom, Inc. a suspension and modification until September 15, 1999. The Commission finds, pursuant to SDCL 49-31-81 and section 251(f)(2), the suspension and modification is necessary to avoid imposing a requirement that is technically infeasible since Consolidated Telephone Cooperative and Consolidated Telcom, Inc. have not yet begun to implement dialing parity pending the ruling on their petition for suspension and modification. The Commission further finds that the suspension and modification is consistent with the public interest, convenience, and necessity. In making this determination, the Commission notes that the suspension and modification that it granted is for a shorter time period than requested by the companies. The Commission finds that the companies' request for a suspension and modification until June 30, 2000, was not adequately justified by the companies.

It is therefore

ORDERED, that Consolidated Telephone Cooperative and Consolidated Telcom, Inc. are granted a suspension and modification of the requirement for implementing intraLATA dialing parity until September 15, 1999; and it is

FURTHER ORDERED, that Consolidated Telephone Cooperative and Consolidated Telcom, Inc. shall file a dialing parity implementation plan consistent with the Commission orders issued in Docket TC99-030 and any applicable FCC orders.

Dated at Pierre, South Dakota, this 22nd day of June, 1999.
