**ORDER GRANTING
CERTIFICATE OF AUTHORITY**

TC99-022

On March 10, 1999, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from Glyphics Communications, Inc. (Glyphics).

Glyphics will function as a reseller of telecommunications services, including outbound presubscribed service and toll free inbound service to business and residential customers. Intrastate services similar to these will also be offered. A proposed tariff was filed by Glyphics. The Commission has classified long distance service as fully competitive.

On March 11, 1999, the Commission electronically transmitted notice of the filing and the intervention deadline of March 26, 1999, to interested individuals and entities. No petitions to intervene or comments were filed and at its April 8, 1999, meeting, the Commission considered Glyphics's request for a certificate of authority. Commission Staff recommended granting a certificate of authority.

The Commission finds that it has jurisdiction over this matter pursuant to Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that Glyphics has met the legal requirements established for the granting of a certificate of authority. Glyphics has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. The Commission approves Glyphics's application for a certificate of authority. As the Commission's final decision in this matter, it is therefore

ORDERED, that Glyphics's application for a certificate of authority is hereby granted, effective May 10, 1999. It is

FURTHER ORDERED, that Glyphics shall file informational copies of tariff changes with the Commission as the changes occur.

Dated at Pierre, South Dakota, this 14th day of April, 1999.
