PARITY BY LOCAL EXCHANGE CARRIERS)	TC99-030

On March 23, 1999, the Federal Communications Commission (FCC) issued an order establishing new deadlines for implementation of intraLATA dialing parity by local exchange carriers (LECs). The order states that "[n]o later than April 22, 1999, all LECs must file intraLATA toll dialing parity plans with the state regulatory commission for each state in which the LEC provides telephone exchange service if a plan has not yet been filed with such state commission. Once a state commission has approved a plan, the LEC must implement its plan no later than 30 days after the date on which the plan is approved." Id. at ¶ 7. If the state commission has not acted on the plan by June 22, 1999, the LEC must file the plan with the Common Carrier Bureau of the FCC. Id.
