| SERVICES IN SOUTH DAKOTA) | TC02-175 |

On October 30, 2002, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from Intelecall Communications, Inc. (Intelecall):

Intelecall proposes to provide direct and dial-around outbound dialing, toll free inbound dialing, directory assistance, data services and travel card services. A proposed tariff was filed by Intelecall. The Commission has classified long distance service as fully competitive.

On October 31, 2002, the Commission electronically transmitted notice of the filing and the intervention deadline of November 15, 2002, to interested individuals and entities. No petitions to intervene or comments were filed and at its November 20, 2002, meeting, the Commission considered Intelecall's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to the condition that Intelecall not offer a prepaid calling card or require or accept deposits or advance payments without prior approval of the Commission. Commission Staff further recommended a waiver of ARSD 20:10:24:02(8).

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that Intelecall has met the legal requirements established for the granting of a certificate of authority. Intelecall has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. Further, the Commission finds that there is good cause to waive ARSD 20:10:24:02(8). The Commission approves Intelecall's application for a certificate of authority, subject to the condition that Intelecall not offer a prepaid calling card or require or accept deposits or advance payments without prior approval of the Commission. As the Commission's final decision in this matter, it is therefore

ORDERED, that Intelecall's application for a certificate of authority to provide interexchange telecommunications services is hereby granted, effective December 31, 2002, subject to the condition that Intelecall not offer a prepaid calling card or require or accept deposits or advance payments without prior approval of the Commission. It is

FURTHER ORDERED, that the Commission waives ARSD 20:10:24:02(8). It is

FURTHER ORDERED, that Intelecall shall file informational copies of tariff changes with the Commission as the changes occur.

Dated at Pierre, South Dakota, this 2nd day of December, 2002.
