

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE APPLICATION OF)	ORDER GRANTING
GO SOLO TECHNOLOGIES, INC. FOR A)	CERTIFICATE OF
CERTIFICATE OF AUTHORITY TO PROVIDE)	AUTHORITY
INTEREXCHANGE TELECOMMUNICATIONS)	
SERVICES IN SOUTH DAKOTA)	TC04-006

On January 15, 2004, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from Go Solo Technologies, Inc. (Go Solo).

Go Solo proposes to offer resold interexchange telecommunications services in South Dakota. Go Solo provides unified voice, e-mail and fax messaging accessible from the web or phone. A proposed tariff was filed by Go Solo. The Commission has classified long distance service as fully competitive.

On January 22, 2004, the Commission electronically transmitted notice of the filing and the intervention deadline of February 6, 2004, to interested individuals and entities. No petitions to intervene or comments were filed and at its May 11, 2004, meeting, the Commission considered Go Solo's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to the condition that Go Solo not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. Commission Staff further recommended a waiver of ARSD 20:10:24:02(8).

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that Go Solo has met the legal requirements established for the granting of a certificate of authority. Go Solo has, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. Further, the Commission finds that there is good cause to waive ARSD 20:10:24:02(8). The Commission approves Go Solo's application for a certificate of authority, subject to the condition that Go Solo not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. As the Commission's final decision in this matter, it is therefore

ORDERED, that Go Solo's application for a certificate of authority to provide interexchange telecommunications services is hereby granted, subject to the condition that Go Solo not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. It is

FURTHER ORDERED, that the Commission waives ARSD 20:10:24:02(8). It is

FURTHER ORDERED, that Go Solo shall file informational copies of tariff changes with the Commission as the changes occur.

Dated at Pierre, South Dakota, this 13th day of May, 2004.
