**ORDER GRANTING
PETITION FOR WAIVER

TC04-258**

On December 2, 2004, the Public Utilities Commission (Commission) received a petition from Sancom, Inc. d/b/a Mitchell Telecom (Sancom) for approval of its Intrastate Switched Access Tariff No. 1 which is concurrent with the rates, terms, and conditions of the current LECA tariff no. 1, with the exception of the switched access rates, which are based upon a statewide average of the LECA cost members and PrairieWave Community Telephone, Inc. and Mount Rushmore/Fort Randall Telephone Companies. Additionally, Sancom requested an exemption from the requirement to develop intrastate switched access rates based on company specific costs.

On December 28, 2004, the Commission considered Sancom's request for an exemption from developing company specific cost-based switched access rates in accordance with ARSD 20:10:27:11 and for approval of its Intrastate Switched Access Tariff No. 1. Commission Staff recommended approval of the exemption and tariff rate subject to refund, with interest, should the final statewide average switched access rate be lower than the currently effective interim LECA rate. The Commission has jurisdiction over this matter pursuant to SDCL 49-31-18, 49-31-19, ARSD 20:10:27:11 and ARSD 20:10:27:12. The Commission voted to grant the petition for exemption from developing company specific cost-based switched access rates pursuant to ARSD 20:10:27:11 and approve Sancom's Intrastate Switched Access Tariff No. 1 subject to refund, with interest, should the final rate be lower than the interim rate. The Commission further ordered that Sancom, within three years of the date of this Order, file a petition to continue the exemption granted in this proceeding or file cost-based rates. It is therefore

ORDERED, that Sancom's petition to be exempt from developing company specific cost-based switched access rates is granted; and it is further

ORDERED, that Sancom's Intrastate Switched Access Tariff No. 1 is approved as filed, subject to refund, with interest, should the final rate be lower than the interim rate; and it is further

ORDERED, that Sancom shall, within three years of the date of this Order, file a petition to continue the exemption granted in this proceeding or file cost-based intrastate switched access rates.

Dated at Pierre, South Dakota, this 29th day of December, 2004.
