

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE APPLICATION OF)	ORDER GRANTING
INTEGRATED SERVICES, INC. FOR A)	CERTIFICATE OF
CERTIFICATE OF AUTHORITY TO PROVIDE)	AUTHORITY
INTEREXCHANGE TELECOMMUNICATIONS)	
SERVICES IN SOUTH DAKOTA)	TC06-054

On June 1, 2006, the Public Utilities Commission (Commission), in accordance with SDCL 49-31-3 and ARSD 20:10:24:02, received an application for a certificate of authority from Integrated Services, Inc. (Integrated). A proposed tariff was filed by Integrated. The Commission has classified long distance service as fully competitive.

On June 8, 2006, the Commission electronically transmitted notice of the filing and the intervention deadline of June 23, 2006, to interested individuals and entities. No petitions to intervene or comments were filed and at its August 23, 2006, meeting, the Commission considered Integrated's request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to the condition that Integrated not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. Commission Staff further recommended a waiver of ARSD 20:10:24:02(8).

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-31, specifically 49-31-3 and ARSD 20:10:24:02 and 20:10:24:03. The Commission finds that Integrated has met the legal requirements established for the granting of a certificate of authority. Integrated, in accordance with SDCL 49-31-3, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. Further, the Commission finds that there is good cause to waive ARSD 20:10:24:02(8). The Commission approves Integrated's application for a certificate of authority, subject to the condition that Integrated not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. As the Commission's final decision in this matter, it is therefore

ORDERED, that Integrated's application for a certificate of authority to provide interexchange telecommunications services is hereby granted, subject to the condition that Integrated not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. It is

FURTHER ORDERED, that the Commission waives ARSD 20:10:24:02(8). It is

FURTHER ORDERED, that Integrated shall file informational copies of tariff changes with the Commission as the changes occur.

Dated at Pierre, South Dakota, this 11th day of September, 2006.
