On June 30, 2006, the Local Exchange Carriers Association (LECA) filed revised switched access tariff pages. It is therefore

LECA and Staff held several negotiating sessions in an effort to arrive at a joint and acceptable resolution of all of the outstanding cost study dockets. As a result of said negotiations, the outstanding issues in the 2004, 2005 and 2006 cost study dockets were resolved and the parties have entered into a Settlement Stipulation. On November 8, 2006, the parties filed the Settlement Stipulation with the Commission requesting approval of the stipulation. On November 21, 2006, the Commission received the following revised tariff pages from LECA:

At its regularly scheduled meeting of November 28, 2006, the Commission considered whether to approve the Settlement Stipulation and tariff revisions. Upon review of LECA's revised filing, the Commission also unanimously voted to approve the above revisions to LECA's Tariff No. 1. It is therefore
