### **SECTION 3 – ELECTRIC RATE SCHEDULES**

#### **RATE RST – RESIDENTIAL TIME-OF-USE SERVICE**

---

#### **AVAILABLE**

Service under this rate is available to any Residential South Dakota Customer for use in a single-family dwelling unit. This service is not available for resale, standby or supplemental service.

#### **APPLICATION**

Service under this rate schedule will be furnished only to a single occupancy dwelling. In the case of multifamily dwellings with two (2) or more living units, where service to each individual unit is metered separately, electricity used for hallway lighting and other incidental uses in connection with the operation of such buildings may be served under this rate and may be connected to one (1) of the apartment meters.

Where a portion of a dwelling is used regularly for business or professional purposes, the premises will be classified as Non-Residential and the appropriate price schedule applied. However, if the service for Residential purposes can be metered separately through appropriate wiring, the Residential classification will be applied to such service.

Service in this classification is not available for fraternity houses, multiple dwellings with two (2) or more distinct living quarters, or rooming houses with more than four (4) rooms occupied by persons not members of the Customer's immediate family.

Service in the classification is not available to unattached structures or other separately-served facilities on residential premises and shall be served under a qualifying non-residential rate.

#### **CHARACTER OF SERVICE**
